DEPARTMENT OF COMMUNITY DEVELOPMENT

333 WEST OCEAN BOULEVARD • LONG BEACH, CALIFORNIA 90802

November 18, 2008

HONORABLE MAYOR AND CITY COUNCIL
City of Long Beach
California

RECOMMENDATION:

Authorize the Workforce Investment Network to refund previous year grant funds to the California Employment Development Department totaling \$42,294. (Citywide)

DISCUSSION

The Workforce Investment Network has received a credit against past year overhead costs. The Code of Federal Regulations stipulates that local governments must return any remaining funds associated with a federal grant that arise due to refunds or technical corrections, even if the grant has already been closed out.

The Department of Community Development worked with the Department of Financial Management to account for the original grant fund sources used for the employee costs. The Workforce Investment Network's Workforce Investment Act, National Emergency, Disability Work Incentive, Hurricane Katrina, Industry Sector, and Rapid Response funds from the State all originate as federal grants, and thus require submission of a refund.

The following chart summarizes what comprises the requested refund to the California Employment Development Department:
