| Cloud Backup for Sierra | License - Term | 1 | | |
| | Cloud backup subscription provides a completely Innovative-managed remote backup service for on premise Sierra systems, securely transmitting all changed data nightly (from all covered servers at the library) over the library's Internet connection to Innovative's US based, SAS 70/SSAE-16 certified, cloud storage partner. Once the service is operational, no further local backups are required, no library staff time is required for backup or restoration, and there is no need to purchase backup media or provide for offsite transportation and storage of backup media. | | 4,500.00 | 4,500.00 |
