Subject: Public comment for Cultural Heritage Commission Meeting File # 20-020CH

-EXTERNAL-

I write in support of Agenda Item #1 (File # 20-020CH). Our region is in the middle of a deeply troubling housing crisis. This project will, in its own small way, help to increase the supply of housing units in our community. It does not adversely affect any significant historical, cultural, architectural or aesthetic feature of the property. It is an appropriate use of backyard space to increase density and occupancy. Please approve.
