

NB-24

Date: July 16, 2013
To: Honorable Mayor Foster and Members of the City Council
From: Gary DeLong, Councilmember, 3rd District GD
Subject: CalRecycle's Grant for Beverage Container Recycling Programs

Background

The State of California's Department of Resources, Recycling and Recovery also known as CalRecycle, issues up to \$1,500,000 annually in the form of grants for beverage container recycling programs. CalRecycle is seeking projects that implement new or enhance existing programs to provide convenient beverage container recycling opportunities in various locations statewide. Eligible applicants for this grant funding include individuals, government entities, businesses, and non-profit organizations.

The availability of this grant funding provides an excellent opportunity for the City of Long Beach to start a pilot-recycling program at Mother's Beach with the placement of 5 recycling cans and trash compactors at a cost of \$25,000.

Recommendation

Request City staff to apply for this grant funding from CalRecycle by the application deadline of July 17, 2013.

Fiscal Impact

There is no fiscal impact.
