

# ORD-51

December 7, 2021

HONORABLE MAYOR AND CITY COUNCIL  
City of Long Beach  
California

## RECOMMENDATION:

Adopt Ordinance amending Long Beach Municipal Code Section 1.27.010, School Board Districts established; declaring the urgency thereof; and declaring that this ordinance shall take effect immediately. (Citywide)

## DISCUSSION

In order to implement district boundaries for the Long Beach Unified School District (LBUSD) as required by Federal and State Law, the Council must adopt an ordinance to redistrict boundaries based on the 2020 United States Census. Note that LBUSD is not subject to the requirements of Charter section 2500 et seq. (Measure DDD), and is instead required to follow City Charter Section 2202.

This matter was reviewed by Deputy Attorney Amy Webber on November 29, 2021 and by Budget Operations and Development Officer Rhutu Amin Gharib on December 1, 2021.

## TIMING CONSIDERATIONS

Approval of the foregoing recommendation will permit the City Clerk Department to forward new boundary details to the Los Angeles County Registrar Recorder by their deadline of December 31, 2021. for purposes of planning the June 2022 Primary Nomination Election (PNE). This action contains an urgency clause in order to permit compliance with this deadline.

## FISCAL IMPACT

The requested action has no fiscal impact and is giving notice to the City Council on the Long Beach Unified School District boundaries based on the 2020 United States Census. This recommendation has no staffing impact beyond the normal budgeted scope of duties and is consistent with existing City Council priorities. There is no local job impact associated with this recommendation.

STATEMENT OF URGENCY

Approval of this recommendation is urgent to forward new boundary details to the Los Angeles County Registrar Recorder by their deadline of December 31, 2021.

SUGGESTED ACTION:

Approve recommendation.

Respectfully submitted,

MONIQUE DE LA GARZA  
CITY CLERK

SCHOOL DISTRICT TO THE CITY OF LONG BEACH AND AUTHORIZING STAFF TO TAKE ACTIONS

**WHEREAS**, following each decennial census, population data within the Long Beach Unified School District must be reviewed to determine whether Board of Education Districts must be adjusted to continue compliance with applicable Federal and State Constitutional requirements and Voting Rights Act Laws; and

**WHEREAS**, when the population variance between the least populous and most populous Board of Education Districts exceeds 10% of the ideal board area size, adjustments to boundaries must be made in order to bring the Board Districts within the allowable variance for the next applicable election; and

**WHEREAS**, the population variance reflected in the latest decennial census indicated the need to redraw Board of Education boundaries;

**WHEREAS**, as a result of community input from the Communities of Interest Survey, three proposed maps have been prepared for the public and Board of Education consideration;

**WHEREAS**, the proposed maps have been reviewed for compliance with applicable Federal and State Constitutional requirements and Voting Rights Acts laws prior to presentation to the public and Board of Education; and
