9. (12-1048) Recommendation to adopt resolution authorizing City Manager to execute a contract and any amendments thereto with Graffiti Protective Coatings, Inc., (GPC) of Los Angeles, CA (not an MBE, WBE, SBE or Local), for providing graffiti removal services on the same terms and conditions afforded to the County of Orange (OC Parks), in an annual amount not to exceed \$1,077,600 for the period of one year, with the option to renew for two additional one-year periods, at the discretion of the City Manager. (Citywide)	Colleen Mc Donald	colleenmcdnld03@gmail.com			Long Beach	California	90806	I strongly support renewal of the GPC contract for Graffiti abatement. I consider their performance outstanding and the need, especially in my area of Wrigley, to be very great on a daily basis.	12/11/12
PUBLIC COMMENT:	Laurie Angel	casadcl@charter.net			Maquoketa	Iowa	52060	Visiting the Long Beach Airport Sunday you can see the true value of a true working partnership among, city, community and business partners. The result is an exceptionally well throughout and planned effort that everyone can be proud of and enjoy for generations. I found the presence of local Long Beach businesses incredibly refreshing and inviting. Thank you, every one, for an outstanding effort.	12/11/12

(Citywide)	Gavin Mc Kiernan	gavin.mckiernan@gmail.com			Long Beach	California	90808	Since GPC started their work in Long Beach there has been a substantial improvement in the response to graffiti, please renew their contract. Thank you.	12/11/12
17. 12-1041 Recommendation to declare ordinance amending the Long Beach Municipal Code by amending Sections 5.72.120, 5.72.121, 5.72.125, 5.72.130 and Subsection 21.15.110(I); by adding Subsections 5.72.120.5 and 5.72.120.6; and by repealing Section 5.72.126, all relating to Entertainment and Similar Activities; declaring the urgency thereof; and declaring that this ordinance shall take effect immediately, read and adopted as read. (Ordinance No. ORD-12-0018) (Citywide)	Laurie Angel	casadcl@charter.net			Maquoketa	Iowa	52060	From an administrative point of view I completely understand the interest in reducing administrative burden and resulting cost. However, without necessary oversight and lack of controls the possibility of spending more than a department would otherwise, is increased substantially. Please defer to the city auditor to get an unbiased view to get her professional opinion on whether the slight gains of one position would offset the potential of abuse. I do not believe it will.	12/11/12
