HONORABLE MAYOR AND CITY COUNCIL
City of Long Beach
California

RECOMMENDATION:

Receive supporting documentation into the record, conclude the public hearing and take the actions necessary to adopt the Fiscal Year 2011 budget as listed in Attachment A of this letter. (Citywide)

DISCUSSION

On July 23, 2010, the City Manager's Proposed Budget for Fiscal Year 2011 (FY 11) was delivered by the Mayor to the City Council and community with recommended amendments for consideration. Subsequent hearings were set for July 27, August 10, August 17, August 24, and September 7, along with approximately three Budget Oversight Committee (BOC) meetings and 7 community meetings at which the FY 11 Proposed Budget was discussed. We are pleased to report that through the scheduled hearings, BOC and community meetings, presentations have been made by multiple City departments resulting in 16 separate opportunities for public feedback, deliberation and input.

At the conclusion of the hearings, the City Council will be asked to amend the proposed budget as it deems appropriate, and to adopt the proposed budget as amended. Since the publication of the FY 11 Proposed Budget, updated estimates of revenue and expense, which address technical corrections as well as decisions made by elected offices, are listed by fund and department in Attachments B and C to this letter, respectively.

The Appropriations Ordinance officially adopts the FY 11 budget and authorizes expenditures in conformance with the adopted budget. To become effective October 1, 2010, this Ordinance must include a finding of emergency. Specific resolutions provide for approval of the budgets for the Harbor, Sewer and Water funds; and certain fee adjustments. Requests for approval include the FY 11 Capital Improvement Program; the Mayor's Recommendations; and the Budget Oversight Committee's Recommendations to the FY 11 Proposed Budget.

This letter was reviewed by Assistant City Attorney Heather A. Mahood on August 24, 2010.

TIMING CONSIDERATIONS

In accordance with the Long Beach City Charter, the FY 11 budget must be adopted by September 15, 2010, following at least one public hearing. Should the City Council fail to adopt the budget on or by that date, the City Manager's FY 11 Proposed Budget shall be deemed the budget for the 2011 fiscal year. The Mayor then has five calendar days from City Council adoption of the budget to use his veto authority. The City Council would then have until September 30, 2010, to override veto action by the Mayor with a two-thirds supermajority vote.

FISCAL IMPACT

The City Charter requires that the Appropriations Ordinance shall govern and control the expenditure and commitment amounts stated therein relating to the City's departments, offices and agencies during each fiscal year. The total FY 11 budget for all departments and funds is \$2,888,906,361 which comprises \$2,491,051,082 in new appropriation and \$397,855,279 in estimated carry-over from FY 10 for multi-year grants and projects.

The Appropriations Ordinance, included as Attachment A-19 to this letter, totals \$2,058,387,516 for all funds except Harbor, Water and Sewer, and \$2,060,265,449 for all departments except Harbor and Water. The \$1,877,933 difference between funds and departments in the Appropriations Ordinance is due to general City indirect costs budgeted in the Department of Financial Management but charged to the Harbor, Water and Sewer funds, which are not included in the Appropriation Ordinance by fund.

The proposed Harbor, Water and Sewer Fund budgets are in separate City Council ordinances included as Attachment A-1 and A-4 to this letter, respectively, and total \$828,640,912. The budget for the Harbor Department was adopted by the Board of Harbor Commissioners by minute order on June 28, 2010. The budget for the Water Department was adopted by the Board of Water Commissioners by resolution on June 24, 2010.

All user fees and charges in the attached Master Fee and Charges Schedule (A-5) have been increased by the City Cost Index, a calculation of the projected increase in the City's cost from FY 10 to FY 11, except for those fees that are set using other criteria. In addition to the CCI-based fee changes, some fees have been added or adjusted due to a change in service or other bases. For details regarding these proposed new fees and non-CCI fee adjustments, please see the List of Proposed Fee Adjustments for FY 11 that has been incorporated as Exhibit C to the Master Fee and Charges Resolution.

Other requested City Council actions include approval of the FY 11 One-Year Capital Improvement Program (CIP) budget, which is contained in the Appropriations Ordinance. The Planning Commission, at its meeting of August 19, 2010, approved the CIP for FY 11 for conformance with the General Plan. Any projects that are not in conformance with the Plan will be highlighted by Development Services staff and steps to secure conformance will be outlined.

Motions approving the budgets of the Redevelopment Agency's (RDA) Project Area Committees (PACs) for the Central Long Beach, the West Long Beach Industrial and the North Long Beach Project Areas and the Long Beach Housing Development Company (HDC) are requested. The PAC budgets are included in the budget of the Development Services Department. In addition, a motion to find that the contribution of North Redevelopment Project Area funds to Central Redevelopment Project Area low-and-moderate-income housing efforts will benefit the North Redevelopment Project Area is requested. A motion is also requested making certain findings regarding the construction of certain public improvements with Redevelopment Funds to allow the Downtown Redevelopment Project Area to fund the City Place Parking Structure debt service payment.

A motion to amend the Departmental Organization Ordinance is also being requested. This amendment incorporates changes to departments, bureaus, and divisions for Fiscal Year 2011. These organizational changes are necessary to implement changes reflected in the Proposed FY 11 budget. The Salary Resolution will be submitted at a later date to the Council for approval.

The City Council is also requested to adopt the Resolution establishing the "Gann Appropriations Limit" (Limit) for general purpose expenditures. In November 1979, the voters of the State of California approved Proposition 4, also known as the "Gann Initiative." The Initiative places certain limits on the amount of tax revenue that can be appropriated each fiscal year. The Limit is based on actual appropriations during FY 79 and guards against overspending proceeds of taxes. Only those revenues which are considered as "proceeds of taxes" are subject to the Limit. The Limit is recalculated each fiscal year based on certain inflation and population factors provided by the State. The Proposed Budget includes tax revenue estimates that are at 38.42 percent of the 2010-2011 Appropriations Limit and, therefore, does not exceed the Limit. This calculation is reviewed by the City Auditor for conformance to the law.

RESOLUTION NO.

A RESOLUTION OF THE CITY COUNCIL OF THE
CITY OF LONG BEACH MAKING CERTAIN FINDINGS
REGARDING THE CONSTRUCTION OF CERTAIN PUBLIC
IMPROVEMENTS WITH REDEVELOPMENT FUNDS (CITY
PLACE PARKING STRUCTURE DEBT SERVICE)

WHEREAS, the City Council of the City of Long Beach adopted and approved a certain Redevelopment Plan (the "Redevelopment Plan") for the Downtown Redevelopment Project (the "Project"); and

WHEREAS, in furtherance of the Project and the immediate neighborhood in which the Project is located, the Redevelopment Agency of the City of Long Beach, California (the "Agency"), has recognized the need for certain public improvements, which improvements will be located within the boundaries of the Project, and proposes to use redevelopment funds to reimburse the City for the cost of constructing the improvements; and

WHEREAS, Section 33445 of the California Community Redevelopment Law (Health and Safety Code Section 33000 et seq.) requires the Agency to make certain findings prior to the acquisition of land and construction of public improvements or facilities thereon; and

WHEREAS, Section 33678 of the Community Redevelopment Law provides that under certain conditions tax increment funds shall not be subject to the appropriations limitation of Article XIII B of the California Constitution;

NOW, THEREFORE, the City Council of the City of Long Beach resolves as follows:

Section 1. The City Council determines that the construction of public improvements, more particularly described in Exhibit "A", are of benefit to the Project and

OFFICE OF THE CITY ATTORNEY

Long Beach, CA 90802-4664

1 the immediate neighborhood in which the Project is located. This finding is supported by
2 the following facts:

3 These improvements have assisted in the removal of blight by improving
4 the availability of parking and enhanced the Downtown visitor experience, thereby
5 promoting business attraction along Pine Avenue and nearby streets.

6 Section 2. The City Council determines that no other reasonable means
7 of financing the above-described improvements are available to the community. This
8 finding is supported by the following facts:

9 Before the passage of Proposition 13, most of the City's general operating
10 and capital improvements were funded through property taxes. However, the initiative
11 placed severe constraints on the City's ability to use property tax revenues to offset
12 increases in operating and capital costs. It has also been difficult for the City, by itself, to
13 provide sufficient funds to pay the debt service for the construction of major public
14 improvements. In fiscal year 2010-2011, the limited resources of the City's General Fund
15 are committed to previously incurred obligations and planned projects.

16 Section 3. The City Council further determines that the payment of funds
17 to reimburse the City for the cost of the construction of the public improvements, will
18 assist in the elimination of one or more blighting conditions within the Project, and is
19 consistent with the implementation plan adopted pursuant to Health and Safety Code
20 Section 33490.

21 Section 4. This resolution shall take effect immediately upon its adoption
22 by the City Council, and the City Clerk shall certify the vote adopting this resolution.
