(Districts 2,3)</p>	Stefan Borst-Censullo	<a href="mailto:stefanbc317@gmail.com">stefanbc317@gmail.com</a>		Downtown	Long Beach	California	90802	My wife & are I live in CD2 & use this path every day. We cannot afford a gym membership, & the path allows us run at no cost. Expanding the path will help the city. An expansion has the potential to make LB the preferred destination for road races in LA/OC, which means more revenue from taxes & licenses w/a minimal impact to the environment. The current path is at its max capacity, & will only grow. So for tourism, public health, and safe walking between 2nd St & downtown, please support this.	10/7/2014

A second path would provide greater safety for runners, bikers , and strollers as well as providing greater access to the community. I think it would make a great addition to the Long Beach shoreline. Please approve !	10/7/2014
