SUBJECT: Recommendation To Approve the purchase of twelve (12) trashcan lids from Quick Crete Products Corp. in the amount of \$1,572.00.

DISCUSSION

In January 2011 six (6) new lids were ordered to replace missing and/or damaged lids for the concrete trashcans located on 2nd Street in Belmont Shore. It was recently reported by Conservation Corps that their supply of lids has been depleted and they are in need of replacement lids.

Quick Crete Products Corp. is the original supplier of these trashcans and lids, and they will provide the appropriate lids at a cost of \$131.00 per unit. It is recommended that twelve (12) lids be purchased as backup, with the resulting total amounting to \$1,572.00, tax and shipping included.

RECOMMENDATION
