REGULAR AGENDA

1. [22-045CH](#) Recommendation to approve a Certificate of Appropriateness to allow a 637-square-foot two-story addition to the rear of an existing two-story single-family home and a 56-square-foot expansion of the basement level of the dwelling. The scope of work includes a 215-square-foot single-car garage with an attached carport to the existing 2-car garage; and a 103-square-foot accessory addition to the garage. A 965-square-foot second floor accessory dwelling unit (ADU) over the garage is also part of this project, however due to State legislation, it is deemed approved, as it has been over 61-days since application. Hence, it is not under their purview for review and consideration by CHC.

The property is located at 2749 East Ocean Boulevard in the Two-Family Residential District with Large Lots (R-2-L) Zoning District. It is a Contributor to the Bluff Park Historic District. (District 2)

Suggested Action: Approve recommendation.
