PUBLIC COMMENT	Dave Shukla	dave.shukla@gmail.com		<p>Hello,</p> <p>I hope this finds you all well. Not being able to attend your meeting online, I wish to provide a General Public Comment:</p> <p>I think the City of Long Beach needs to re-evaluate the requirement that you be a registered Democratic Party or Republican Party member for being eligible to be on the Independent Redistricting Commission, the present one, or any future one.</p> <p>I was "screened out" of the process onto to some degree, and I think after the LBUSD map process, have shown that was not in the best interests of our City.</p> <p>Some preliminary findings from the active participation of the Long Beach Alliance for Clean Energy, of which I am a co-founder and Operations Director:</p> <p>https://districtr.org/plan/88834</p> <p>This is an open-source map that was created through a method a 12-year-old (i.e. someone who will be voting in 2028, i.e. someone who is affected by these decisions, and others) could understand.</p> <p>Thanking you, Dave Shukla</p> <p>https://districtr.org/plan/88834</p>	12/8/2021
