HONORABLE MAYOR AND CITY COUNCIL
City of Long Beach
California

RECOMMENDATION:

Receive the supporting documentation into the record, conclude the public hearing, and grant an Entertainment Permit with conditions for entertainment without dancing to Long Beach Tiki, LLC, dba The Bamboo Club, at 3522 E. Anaheim Street. (District 3)

DISCUSSION

The Long Beach Municipal Code (LBMC) requires an application be filed and a hearing held before the City Council whenever this type of activity is requested and before an entertainment permit (Permit) is granted or denied.

The LBMC also requires the City Council to approve the issuance of the Permit if they find that: the issuance of the Permit at the proposed location is consistent with federal, State, and local laws, rules, and regulations; it will not constitute an undue burden on the neighborhood; the applicant(s) or responsible persons have not been convicted of any misdemeanor involving moral turpitude or felony offense within the past five years; and, neither the applicant(s) nor any responsible persons have a history of committing significant violations of the City of Long Beach (City) code and have not provided false or misleading information on their application.

The City Council has the authority to approve the following options: (1) grant the Permit, with or without conditions; or (2) deny the Permit on the application. Once the Permit is granted, pursuant to LBMC 5.72.120.5, the Permit will be subject to an administrative review by the Financial Management Department every two years. This review process will consist of a multi-department analysis to determine compliance and identify if issues exist. This provision does not affect the City's ability to modify, revoke, or suspend a permit at any time.

City departments have conducted their investigations in accordance with the LBMC. Attached are the departmental investigative reports, history, entertainment permit application, and floor plan.

The following summarizes departmental findings:

- The Police Department recommends that the Permit for entertainment without dancing be approved, subject to conditions.
- The Fire Department finds the building/location meets department requirements for the proposed use.
- The Health and Human Services Department finds the building/location meets department requirements for the proposed use.

- The Development Services Department finds the building/location meets department requirements for the proposed use.

The Financial Management Department, Business Services Bureau, has thoroughly reviewed all submitted department documents and correspondence and recommends the Permit for entertainment without dancing be approved subject to conditions (attached).

In the event that any of the recommended conditions conflict with other permits or licenses, the permittee must adhere to the strictest of the applicable conditions. This location has been licensed as a Restaurant & Ready to Eat Foods with Alcohol since April 2001. The business changed ownership to Long Beach Tiki, LLC, in January 2019.

This matter was reviewed by Principal Deputy City Attorney Richard F. Anthony on March 10, 2022.

TIMING CONSIDERATIONS

The hearing date of April 5, 2022, has been posted at the business location, with the applicant and property owners within 300 feet notified by mail.

FISCAL IMPACT

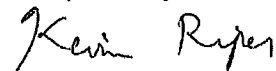

The following fees were collected with the application: Building Review \$23.30 and Zoning Review \$33.00 (Development Services Department), Police Investigation \$1,442.00 (Police Department) and Mailing List \$90.00 (Financial Management Department).

The following fees will be collected if the application is approved: Business License Annual Tax \$397.04, Employee Rate \$20.62 per employee and Annual Entertainment Regulatory Fee \$342.00 (Financial Management Department).

Application for Entertainment Without Dancing**

The Department of Financial Management recommends **approval** of the Permit subject to the following conditions:

I. **STANDARD CONDITIONS OF OPERATION**

- 1) The operation of the establishment shall be limited to those activities and elements expressly indicated on the permit application and approved by the City Council. Any change in the operation, which exceeds the conditions of the approved permit, will require that a new permit application be submitted to the City Council for their review and approval.
- 2) Unless separately applied for, reviewed, and approved, no adult entertainment, as defined by section 5.72.115(B) LBMC shall be conducted on the permitted premises.
- 3) The establishment shall remain in compliance with all applicable sections of the Long Beach Noise Ordinance (LMBC Chapter 8.80).
- 4) This Entertainment Permit is an accessory to the primary business. The authorization to provide entertainment on-site is subject to the use remaining a bona fide eating place serving actual and substantial meals. "Meals" means the usual assortment of foods commonly ordered at various hours of the day; the service of such food only as sandwiches or salads shall not be deemed compliant with this requirement. Meals must consist of food prepared on the premises. Hours of sales of alcohol shall be limited to the hours when meals are available.

The premises must be equipped and maintained in good faith. The premises must possess working refrigeration, cooking equipment, utensils, menus, and enough food to make substantial meals. In the event the primary business ceases operation, fails to operate as a bona fide eating place, fails to serve actual and substantial meals, or otherwise fails to comply with this condition, the Entertainment Permit becomes null and void.

- 5) Due to the proximity of neighboring businesses and residences, all door(s) and windows shall be kept closed at all times during any entertainment, except in cases of emergency and to permit deliveries. Said door(s) is not to consist solely of a screen or ventilated security door. **Sound shall not be audible beyond fifty feet (50') from the exterior of the premises in any direction.** Outdoor amplified entertainment is prohibited.

- 6) The permittee shall not allow employees to discard trash or beer bottles into the outside dumpster between the hours of 10:00 P.M. and 7:00 A.M.
- 7) Deliveries to and from the premises shall be limited to the hours of 8:00 A.M. to 10:00 P.M.
- 8) During all times that the entertainment activities are being conducted, the permittee shall provide an adequate security staff to supervise patrons inside the establishment. For crowds up to fifty (50) people, the permittee shall provide a minimum of one (1) uniformed security guard. For crowds over fifty (50) people, the permittee shall provide a minimum of one (1) additional security guard per fifty (50) people.

The attire of each security guard shall clearly indicate the guard's affiliation with the establishment by means of a pin, shirt, or other visible form of identification. Should the permittee's operations give rise to a substantial increase in complaint/calls for police service, or trash left in the parking lot, the permittee shall increase security staff, implement the use of electronic metal detection equipment, increase outside lighting, or make other changes to the premises or operation as the Chief of Police determines are necessary to protect the safety of the public.

- 9) The permittee shall take reasonable measures to prohibit and prevent the loitering of persons immediately outside any of the entrance/exit doors and the parking lot, at all times while open for business. This should be done by use of security guards and signage indicating words to the effect of, "Please respect our neighbors" or something similar.
- 10) At the conclusion of each event, the permittee shall take reasonable measures to ensure that exiting patrons walk directly to their vehicles, and not loiter in the front of the establishment, the parking lot or the immediate area.
- 11) The permittee agrees to reimburse the City for all costs associated with excessive police services, as determined by the Chief of Police, required as the result of any incident or nuisance arising out of or in connection with the permittee's operations.
- 12) Current occupancy loads shall be posted at all times, and the permittee shall have an effective system to keep count of the number of occupants present at any given time and provide that information to public safety personnel upon request. (LBMC section 18.48.320).
- 13) Any graffiti painted or marked upon the premises, or on any adjacent area under the control of the licensee, shall be removed or painted over within 24 hours of being applied.

- 14) The business, or agents, shall not distribute any advertising matter such as signs, posters, or promotional cards, in or upon any public property, or in or on any vehicle in any such place in the City. Distribution of any advertising matter upon private property shall adhere to the following guidelines: By placing the same matter in a receptacle, clip, or other device designed or intended to receive advertising matter. The permittee shall keep all promoter contracts, including names, addresses, and phone numbers, on file at all times, and be available for inspection at any time.
- 15) The permittee shall be responsible for maintaining free of litter the premises and the area adjacent to the licensed premises over which they have control.
- 16) The permittee shall install and maintain a video surveillance system that monitors no less than the front and rear of the business with full view of the public right-of-ways and any parking lot under the control of the permittee. The video system must be capable of delineating on playback the activity and physical features of persona and areas within the premises. Recordings shall be retained for a minimum of 30 days and be accessible via the Internet by the Long Beach Police Department. A Public Internet Protocol (IP) address and user name/password is also required to allow the Long Beach Police Department to view live and recorded video from these cameras over the internet. All video security cameras shall be installed to the satisfaction of the Chief of Police, Director of Technology Services, and Director of Development Services. At the discretion of the Chief of Police, the permittee may be required to add additional video cameras.
- 17) The permittee shall ensure that all employees attend an alcohol awareness class such as TIPS or LEAD, within the first ninety (90) days of employment. In the event that the LEAD program class is not offered within this ninety-day period, the permittee shall attend the next available class. Proof of completion shall be kept on file at the business and shall be available for inspection at any time.
- 18) The permittee shall maintain full compliance with all applicable laws, ABC laws, ordinances, and stated conditions. - 2) All promoters and independent contractors must have or obtain a City of Long Beach Business License prior to conducting entertainment activities governed by this permit. The permittee shall be responsible for all entertainment activities at the location, including those conducted by promoters or independent contractors.
- 3) The permittee must provide all promoters, independent contractors, and dancers, hired to conduct entertainment activities with a copy of the approved permits, which shall include a copy of the approved conditions of operation. The permittee shall not hire promoters with the intent to advertise/promote or hold any entertainment activities consistent with nightclub entertainment
- 4) The permittee shall develop and maintain a plan to address neighborhood concerns, related to the operation of Long Beach Tiki dba The Bamboo Club, (i.e. newsletter, meetings, etc.)
- 5) Interior lighting shall be sufficient to make easily discernible the appearance and conduct of all persons and patrons inside the business.

RE: Letter of Intent - Proposed Changes to Entertainment License

Ms. Mortensen,

The Bamboo Club, located at 3522-24 E. Anaheim Street is currently licensed as a restaurant/bar and has been in operation under the current owner since March of 2019. We currently operate under a Type 47 and 77 Alcohol Beverage Control and City of Long Beach Business License. The Licenses allow us to serve beer, wine and distilled spirits with food service inside the premises from Sunday through Thursday from 8 am to 1am and from 8 am to 2am on Friday and Saturdays. Although consumption of alcoholic beverages is allowed on the patio, it is currently limited to the hours of 11am and 10pm. Live entertainment, karaoke and single or duo acoustical instruments are allowed inside the premises when not audible beyond 50 feet from the exterior of the premises. No live entertainment, amplified music or dancing is permitted on the patio at any time.

To align with the change in atmosphere, as attributed to the Pandemic, the applicant is requesting a change in the entertainment license to allow amplified music to be projected from a speaker system to the confined open patio areas located between the alley and the premises and to the new patio area approved in the former parking lot and the interior of the building. The amplified music will be used only during food service to improve the ambiance and cater to the theme of the restaurant. The music played outdoors will be muffled by existing walls and landscaping and will be in compliance with noise ordinance standards.

The requested outdoor entertainment will be limited to 10pm, to align with beer, wine and distilled spirit restrictions currently placed by Alcohol Beverage Control and will not be used when food services have concluded.

The Bamboo Club has been great neighbors since opening two and a half years ago and has dramatically reduced the calls for services from the previous use, even with the incorporation of an outdoor dining area placed in the former parking lot. The Bamboo Club is a family friendly establishment and takes great pride in being a good neighbor.

Please take these minor changes into consideration, as they will improve the outdoor facade by reducing an unsightly parking lot into an active seating area. It will also increase the number of "eyes on the streets" to improve security and encourage walkability in the area.

Neighborly,

Business License Required (L.B.M.C. 3.80.210)

Under the Long Beach Municipal Code (Section 3.80.210), any person operating a business in the City of Long Beach is required to obtain a business license and pay an annual business license tax, prior to the operation of that business.

Term of License (L.B.M.C. 3.80.520)

A business license is valid for one (1) year from the date of issuance (unless otherwise noted) and must be renewed each year. A renewal notice is sent to the licensee ten (10) days prior to the due date, and the licensee has thirty (30) days to pay without penalty. If a notice is not received by the licensee, he/she is still responsible for payment by the due date. If the licensee changes his/her mailing address during the year, he/she should contact the Business License Section to report the change.

Penalties (L.B.M.C. 3.80.422)

A penalty equivalent to twenty-five percent (25%) of the payment due applies to all delinquent licenses unpaid after thirty (30) days from the due date. An additional ten percent (10%) penalty is added on the first day of the calendar month following the imposition of the twenty-five percent (25%) penalty if the tax remains unpaid, up to a maximum of one hundred percent (100%) of the tax due. The postmark will govern the determination of whether or not a tax payment is delinquent. A delinquent tax will be deemed a debt to the City, and the licensee shall be liable for legal action if it remains unpaid.

Multiple Businesses at one Location (L.B.M.C. 3.80.420.6)

When more than one business activity is engaged in at the same location, and the activity falls into a classification other than that of the original license, the licensee is required to obtain an additional license for each different business activity. If the licensee has more than one business license at the same location, he/she may choose to pay for all employees on one license. If so, the licensee will pay for the employees on the license with the higher employee rate.

Definition of an Employee (L.B.M.C. 3.80.150)

For the purpose of Business License taxation in the City of Long Beach, an employee is defined as: Every person engaged in the operation or conduct of any business in Long Beach, whether as owner, member of the owner's family, partner, associate, agent, manager or solicitor, and every person employed or working in such business, whether full-time, part-time, permanent or temporary, for a wage, salary, commission or room and board. The owner of a sole proprietorship shall not be deemed to be an "employee" of the business.

Change of Location (L.B.M.C. 3.80.424)

Every person possessing a City of Long Beach Business License who changes the location of his place of business shall, prior to engaging in such a business at the new location, have the City endorse the new location on the license.

Display of License (L.B.M.C. 3.80.425.5)

Every person having a license shall prominently display the license at the place of business. If the business is operated from a vehicle, an identifying decal issued by the City shall be affixed to the vehicle, and the business license shall be carried by the licensee.

Apportionment of payment of tax (3.80.256)

For purposes of apportionment as may be required by law and for purposes of administration and enforcement of this Chapter, the Director may from time to time promulgate administrative rules and regulations for a business subject to the business license tax under this Chapter that can demonstrate to the satisfaction of the Director that it will be doing business in the City for only a portion of a year.

Refunds Prior to Start of Business (L.B.M.C. 3.80.427.5.F)

Any application for refund must be made by the person entitled to the money within one year after payment of the money to the City. No refund shall be made of any moneys paid for the issuance or renewal of any license unless it is determined that such licensee has not engaged in, nor held himself out as being engaged in, such business or occupation at any time after the effective date of the license. The amount of the refund shall be the full amount of the license tax paid, less an amount determined by the Director of Financial Management, which shall cover the cost of investigation and issuance of the license.

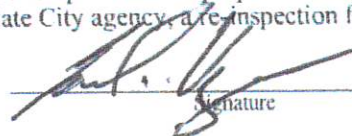

Sales or Use Tax

Sales or Use Tax may apply to your business activity. You may seek advice regarding the application of the tax to your business by visiting the California Department of Tax and Fee Administration website at www.cdfta.ca.gov.

Inspections (The business license application must be available on site at time of inspection).

When a business license inspection is scheduled, the business must be fully prepared to operate, and the business owner or operator must be on site for the entire scheduled time of inspection. If the business owner or operator is unprepared for or misses a scheduled business license inspection without giving a minimum of 24 hours notice to the appropriate City agency, a re-inspection fee will be assessed.

I have read and understand the Inspection requirements.

DISABILITY ACCESS REQUIREMENTS AND RESOURCES

NOTICE TO APPLICANTS FOR BUSINESS LICENSES AND COMMERCIAL BUILDING PERMITS:

Under federal and state law, compliance with disability access laws is a serious and significant responsibility that applies to all California building owners and tenants with buildings open to the public. CERTIFIED ACCESS SPECIALIST INSPECTION SERVICES

Compliance with state and federal construction-related accessibility standards ensures that public places are accessible and available to individuals with disabilities. Whether your business is moving into a newly constructed facility or you are planning an alteration to your current facility, by engaging the services of a Certified Access Specialist (CASp) early in this process you will benefit from the advantages of compliance and under the Construction-Related Accessibility Standards Compliance Act (CRASCA, Civil Code 55.51-55.545), also benefit from legal protections.

Although your new facility may have already been permitted and approved by the building department, it is important to obtain CASp inspection services after your move-in because unintended access barriers and violations can be created, for example, placing your furniture and equipment in areas required to be maintained clear of obstructions. For planned alterations, a CASp can provide plan review of your improvement plans and an access compliance evaluation of the public accommodation areas of your facility that may not be part of the alteration.

A CASp is a professional who has been certified by the State of California to have specialized knowledge regarding the applicability of accessibility standards. CASp inspection reports prepared according to CRASCA entitle business and facility owners to specific legal benefits, in the event that a construction-related accessibility claim is filed against them.

To find a CASp, visit www.apps2.dgs.ca.gov/DSA/casp/casp_certified_list.aspx.

Subject: **APPLICATION FOR AN ENTERTAINMENT WITHOUT DANCING PERMIT AT
THE BAMBOO CLUB – 3522-24 EAST ANAHEIM STREET**

The Long Beach Police Department recommends **approval** of the application for an Entertainment without Dancing Permit, at Long Beach Tiki, LLC, dba The Bamboo Club, located at 3522-24 East Anaheim Street, subject to the conditions provided in the attached memorandum.

Background

The Bamboo Club is a local restaurant and bar that offers alcoholic beverages, beer, wine and distilled spirits, and showcases a variety of events and entertainment. The establishment is located in the 3500 block of Anaheim Street, on the southside of the street. The current owner for the business is Long Beach Tiki, LLC, since March of 2019. The Bamboo Club has valid ABC licenses Type 47 (On-Sale General Eating Place), Type 58 (Caterer Permit), and Type 77 (Event Permit) Alcoholic Beverage Control License. This is a new application for the ownership.

The ABC license Type 47 authorizes the sale of beer, wine and distilled spirits for consumption on the licensed premises and the sale of beer and wine for consumption off the licensed premises. The establishment must operate and maintain the licensed premises as a bona fide eating place and maintain suitable kitchen facilities. The establishment must make actual and substantial sales of meals for consumption on the premises. Minors are allowed on the premises.

The Bamboo Club applied for an Entertainment without Dancing Permit requesting outdoor entertainment, dancing by performers, live music by more than two (2) performers, live and recorded amplified music, a disc jockey and karaoke. They requested to provide entertainment from 11:00 AM to 12:00 AM, Monday through Sunday.

Crime Analysis

As part of the review process by the Long Beach Police Department, calls for service, crime reports, and arrests were evaluated at the above location for a two-year period between December 23, 2019 through December 23, 2021. There were 20 calls for service, one (1) incident reported, and no arrests attributable to the business. The calls for service consisted of a group disturbance, dispute call and an incomplete 911 call. There were 14 audible burglar alarm calls and a silent robbery alarm call. The alarm calls resulted in faulty systems and employees accidentally discharging the alarms.

There was a person with a gun call where two subjects attempted to enter the establishment during closing time, but they were turned away by an employee. One subject lifted his shirt and revealed a handgun in the waistband. The subject did not brandish the weapon. Both subjects left the area without further incident. The establishment did not desire a police report and the call was cleared advised.

The incident report was for a burglary that had occurred. Three subjects burglarized the business while the establishment was closed for business and removed several cases of distilled spirits and other miscellaneous items.

There was one (1) call for service, no crime reports and no arrest attributable to the business from December 24, 2021 through January 24, 2022. The call for service consisted of an Audible Burglar Alarm.

Patrol Division

East Division Patrol Acting-Commander Paul Gallo was contacted for an opinion regarding the issuance of this permit. Patrol has not had any problems with the establishment, and he is not opposed to the issuance of an Entertainment without Dancing Permit, provided the proper conditions of operation are imposed and observed by the establishment and ownership.

Resident Contacts

As part of this investigation, Vice detectives responded to The Bamboo Club, located at 3522-24 Anaheim Street, and contacted residents within 100 feet of the establishment for their opinion on entertainment activities at the business. Detectives determined there are two (2) multi-unit apartment complexes within this distance. There are approximately twenty-nine (29) residents within these two (2) residential buildings.

There were seven (7) residents were **opposed** to the proposed entertainment activity. The residents were concerned about loud patrons, loud music, disturbances and drunk patrons walking in the streets. Other concerns were parking issues and illegal use of recycle bins.

The remaining residents, within the one hundred feet, have not responded; a letter was mailed for them requesting they contact the Vice Investigations Section of the Long Beach Police Department.

Vice Investigation

As part of this investigation, Vice Detectives met with Erick Verduzco-Vega, Brett Gallo and James Ritson, owners of The Bamboo Club and discussed the calls for service and the proposed entertainment permit conditions. Erick confirmed the establishment will provide outdoor entertainment, dancing by performers, live music by more than two (2) performers, live and recorded amplified music, a disc jockey and karaoke. They requested to provide entertainment from 11:00 AM to 12:00 AM, Monday through Sunday.

The Police Department is recommending entertainment activities shall be restricted to no later than **10:00 PM Sunday through Thursday and 11:00 PM Fridays and Saturdays**. Entertainment can begin at 12:00 PM every day of the week Monday through Sunday.

Detectives also went to this location in an undercover capacity on three separate occasions.

On Tuesday December 22, 2021, at approximately 1925 hours, Detectives walked by The Bamboo Club, located at 3522-24 East Anaheim Street. The business had parking for patrons just west of the property. However, due to the CDC considerations for COVID-19 for restaurants/bars, half of the parking lot was converted into an outdoor dining/patio area. Parking was not an issue as there was plenty of street parking.

Detectives entered the business and noticed a U-shaped bar at the center of the business. There were tables and chairs along the walls for patrons to sit and order food/beverages. The business appeared to be at 40 percent occupancy. The restaurant played music over the speakers (no disc jockey) reasonably where detectives could still hold a conversation without interruptions.

On Tuesday January 11, 2022, Detectives entered the business at approximately 1815 hours. Detectives observed approximately four subjects sitting at the bar and another six at the tables along the walls of the business. The music was at a reasonable noise level where detectives could hold a conversation and order beverages with the server.

On Thursday January 13, 2022, at approximately 2100 hours, detectives responded to the establishment. Once at the business approximately 50 feet north of the front entrance detectives could not hear any music coming from the business. Detectives observed a uniformed security guard staffing the front door.

During their visit's detectives did not observe any subjects dancing within the business. The crowd sizes were minimal and everyone inside were respectful with each other. The parking and parking lot was not an issue.

Detectives did not observe any violations during their visits to The Bamboo Club.

Recommendation

Based upon the Police Department's Investigation, The East Division Acting Patrol Commander's recommendation, and the crime analysis, the Long Beach Police Department has determined the public's peace, safety, and welfare would not be adversely impacted by the issuance of this permit, provided the appropriate conditions are imposed and observed by the applicant. The Police Department recommends approval of an Entertainment without Dancing Permit.
