

# Shoreline Drive Realignment Project – Golden Shore and W. Seaside Way

Meeting of Board of Water Commissioners  
May 12, 2022

**Long Beach Water**  
Exceptional Water • Exceptional Service

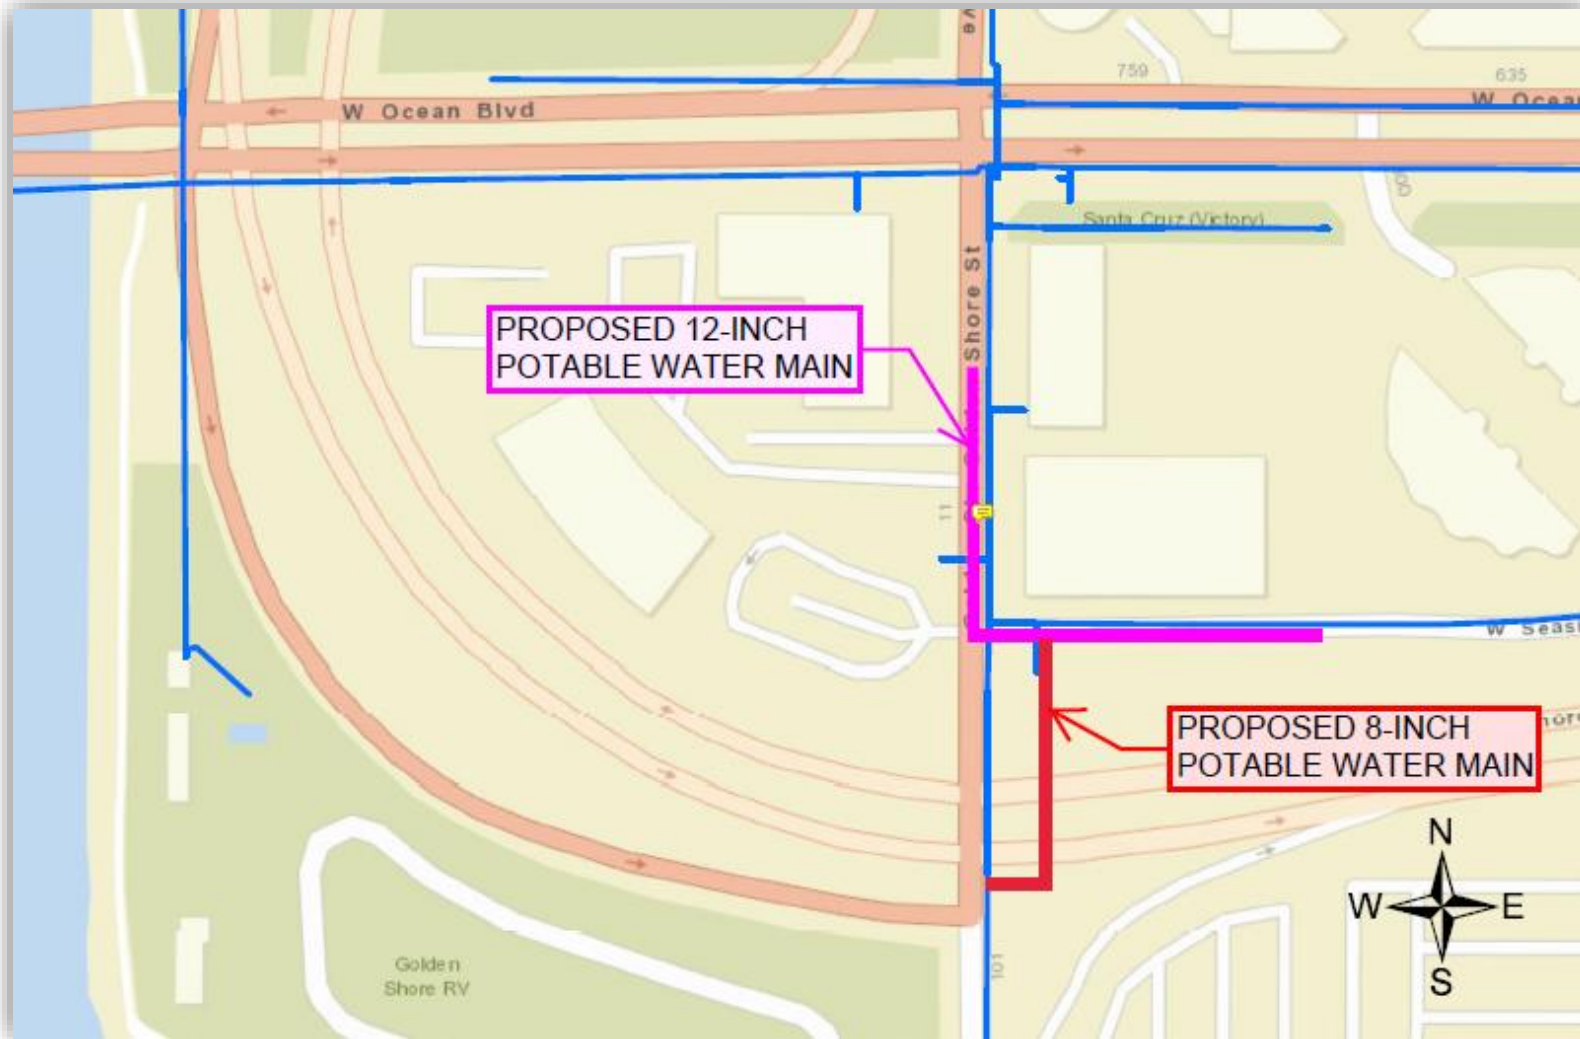

# Background

- LBPW's Shoreline Drive Realignment Project is the first phase of the Shoemaker Bridge Replacement Project.
- Golden Shore will be lowered approximately 20 feet to create an at-grade 4-way intersection with Shoreline Drive.

# Project Overview

- Approximately 525 LF 8-inch potable water main, 572 LF 12-inch potable water main, water service connections and appurtenant facilities along Golden Shore and W. Seaside Way.

# Project Overview

- Authorize the General Manager to execute a Memorandum of Understanding (MOU) with the City of Long Beach Public Works Department (LBPW) for the relocation of potable water mains, water service connections, and appurtenances in conjunction with the Shoreline Drive Realignment Project near Golden Shore and W. Seaside Way.
