## Board of Water Commissioners

CHRISTOPHER J. GARNER, General Manager

June 23, 2022

### Subject

Authorize the General Manager to execute an agreement with Carollo Engineers, Inc., to provide engineering design services for the Los Angeles Department of Water and Power (LADWP) Haynes Generating Station (Haynes) Recycled Water Pipeline Project (REO-0213), in the amount not to exceed \$1,564,187.

### Executive Summary

As part of the proposed agreement between LADWP and the Long Beach Water Department (LBWD) to address Haynes' future water and sewer requirements, LBWD will assist with the design of a new recycled water pipeline. This proposed project will extend the existing recycled water pipeline beginning at the intersection of E. Atherton Street and N. Studebaker Road and ending at a connection point within Haynes located south of California State Route 22.

On May 5, 2022, staff solicited proposals to provide engineering design services for the LADWP Haynes Recycled Water Pipeline Project (REO-0213). Two (2) proposals were received, evaluated, and analyzed. Staff recommends Carollo Engineers, Inc., based on their engineering design experience on similar projects, project understanding, and resource availability. The not-to-exceed amount for their services is \$1,564,187 and the duration of the agreement is through project completion.

### Recommendation

Authorize the General Manager to execute an agreement with Carollo Engineers, Inc., to provide engineering design services for the LADWP Haynes Recycled Water Pipeline Project (REO-0213), in the amount not to exceed \$1,564,187.

**Fiscal Impact:** There is no fiscal impact to the Water Fund. LADWP will reimburse LBWD for all project expenses.

Robert J. Verceles  
Director of Engineering/Chief Engineer

MIC: Microbusiness	WBE: Women-owned Business Enterprise

The Request for Proposal (RFP) document was made available from the Purchasing Division website at <https://www.longbeach.gov/finance/business-info/purchasing-division/>.

An RFP announcement was also included in the City's Purchasing Division's weekly update of Open RFP/Bid Opportunities, which is sent to 38 local, minority-owned, and women-owned business groups.

- 593 potential engineering firms were notified of this opportunity
- 44 prospective proposers downloaded the Bid document
- 2 proposals were received on May 5, 2022 (see above matrix)

### Local Business Outreach

In an effort to align with the City's outreach goal, Long Beach businesses are encouraged to submit proposals for City contracts. The City's Purchasing Division also assists businesses with registering on the PlanetBids database to download RFPs.

- 33 Long Beach vendors were notified to submit proposals
- 3 downloaded the RFP
- 0 submitted a proposal
