Chair Miles Nevin  
Airport Advisory Commission

A positive COVID test this morning will keep me from attending today's scheduled Airport Advisory Commission meeting.

After a year of serving as Vice Chair of the Commission, I would like to be considered for Chair of the Commission for this next term. If nominated, I would accept the nomination, and if elected, I would accept the position.

My apologies on not being present today, but following CDC protocol , I cannot attend.

Thank you,

A handwritten signature in cursive script that reads "Katie".

Katie Larson  
Vice Chair  
Airport Advisory Commission
