

CONDITIONS OF APPROVAL
Address: 2556 East 3rd Street
Application No.: COAC2204-01
Hearing Date: June 28, 2022

1. This approval is for the demolition of 34 square-feet of existing floor area to accommodate the construction of a one-story 137 square-foot addition at the rear of an existing one-story single-family residence at a height of 13 feet as measured from top-of-curb to roof ridgeline of the addition located at 2556 East 3rd Street.
2. The project must be completed per the plans approved by the Cultural Heritage Commission, including all conditions listed herein. Any subsequent changes to the project must be approved by the Cultural Heritage Commission or by Planning Bureau staff before implementation. Upon completion of the project, a staff inspection must be requested by the Applicant to ensure that the improvements have been executed according to approved plans and that all conditions have been implemented before occupancy hold can be released.
3. There is a ten (10) calendar-day appeal period that will lapse at 4:30 p.m., ten (10) calendar days after the action by the Cultural Heritage Commission is made. Appeal of the Commission's action will not be accepted after this time. A separate fee will apply to appeal an action taken by the Cultural Heritage Commission.
4. This Certificate of Appropriateness shall be in full force and effect from and after the date of the rendering of the decision by the Cultural Heritage Commission. Pursuant to the Cultural Heritage Commission Ordinance Section 2.63.080(I), this approval shall expire within two (2) years if the authorized work has not commenced. Should the applicant be unable to comply with this restriction, an extension may be granted pursuant to Section 2.63.080(I) for an additional 12 months maximum. The applicant must request such an extension prior to expiration of this Certificate of Appropriateness. After that time, the applicant will be required to return to the Cultural Heritage Commission for approval. In addition, this Certificate of Appropriateness shall expire if the authorized work is suspended for a 180-day period after being commenced.
5. All required building permits shall be obtained by the applicant, as needed. Building permits must be obtained prior to the implementation of any construction or rehabilitation work. Separate plan check and permit fees will apply.
6. The one-story 137 square-foot addition shall be painted to match the new paint colors for the overall home. The proposed paint colors for the building and addition will be comprised of the following:
 - Body of House (wood siding): 'Well Watered' by Magnolia
 - Wood shingles cladding: 'Nesting Box' by Magnolia
 - Trim: 'Cinnamon Sugar' by Magnolia

- Window trim, exterior door, beams: 'Aspen Stone' by Magnolia
7. All Conditions of Approval must be printed verbatim, on all plans submitted for plan review to the Department of Development Services. These Conditions must be printed on the site plan or a subsequent reference page.
 8. Any building materials, vents, architectural details, window and door trim, used in the project, shall be constructed or restored with the same or similar material as those existing features, finished to match.
 9. The applicant shall obtain a separate Certificate of Appropriateness for any additional proposed exterior changes not approved by the Cultural Heritage Commission.
 10. All windows in the 137 square-foot addition shall be wood windows and be reviewed by the Planning Bureau staff prior to installation. The applicant shall provide specifications for the windows and door as approved with this project and shall be consistent with the architectural style of the residence.
 11. Any proposed changes to the plans approved by the Cultural Heritage Commission and staff will need to be reviewed and approved by the Director of Development Services or their designee prior to implementation. Significant changes to the project's design will require review and approval by the Cultural Heritage Commission before permits are issued by the Department of Development Services.
 12. Proposed horizontal wood siding shall be narrower or wider than the original horizontal wood siding located on the original structure. The proposed wood siding shall be reviewed and approved by the Planning Bureau to create separation to prevent a false sense of history between the addition and original building.
 13. All proposed landscaping shall be subject to Chapter 21.42 of the Zoning Code.
 14. A building inspection must be completed by Planning Bureau staff to verify compliance with the plans approved by Cultural Heritage Commission prior to issuance of a Certificate of Occupancy from the Building Bureau.
 15. A final inspection of project and garage will be required for compliance with this approval and the City of Long Beach zoning ordinance.
 16. A color and materials board shall be submitted to the Planning Bureau staff prior to the issuance of building permits. The materials board shall include, but is not limited to, sample materials for windows, stucco, roof, siding, trim, and paint.
