HONORABLE MAYOR AND CITY COUNCIL
City of Long Beach
California

RECOMMENDATION:

Adopt a Resolution approving the 2022-2025 Memorandum of Understanding with the Long Beach Police Officers Association. (Citywide)

DISCUSSION

In accordance with discussions with the City Council, a Memorandum of Understanding (MOU) agreement has been reached with the Long Beach Police Officers (POA) bargaining unit. The POA represents approximately 800 employees in the Police Basic and Supervisory groups.

Since June 2022, City of Long Beach (City) management and POA representatives have held 17 negotiation sessions regarding a new POA MOU. The current POA MOU expired on September 30, 2022. A tentative agreement has been reached and jointly signed by representatives of the City and POA.

The tentative agreement contains general wage increases for all POA classifications and including new and modified skill pays to address the needs of the department, i.e., Detective 2 skill pay for Homicide Detectives, Patrol Premium pay for Patrol Officers, and Supervisory POST pay for Police Lieutenants. This agreement also addresses recruitment and retention issues by providing a referral bonus for current POA members who assist with the recruitment of new officers as well as retention bonuses and vacation accrual adjustment for new Lateral Police Officers. It also includes key benefit enhancements such as Longevity Pay for POA members completing 10 years of service and 20 years of service as well as increasing the percentage for members completing 15 years of service.

Tentative Agreement Major Provisions

The proposed MOU is for a three-year agreement from October 1, 2022 through September 30, 2025, and it includes the following major provisions:

1. General Wage Increase for all POA represented classifications:
 - a. 5.5 percent effective October 8, 2022
 - b. 3.5 percent effective October 7, 2023
 - c. 2.5 percent effective October 5, 2024

2. Retention Bonus:

- a. Effective the first full pay period of Fiscal Year 2025 (FY 25) (October 5, 2024), a retention payment of \$5,000 to all active, permanent, full-time employees represented by POA (excluding Police Recruits and Non-Careers).
- b. The one-time ad-hoc retention payment is in the sum of the \$5,000 only and is not considered regular compensation and does not include any compensation items such as, but not limited to, skill pay, bonus pay, higher classification pay, bilingual pay, deferred compensation, or overtime.

3. Longevity Pays

- a. Effective October 8, 2022, the City will provide longevity pay as compensation to all permanent, full-time bargaining unit members (excluding Police Recruit and all Non-Career employees) under the following conditions:
 - i. Five percent (5%) of Step 6 Police Officer base hourly rate for ten (10) years of service as a Police Officer (Police Officers, Police Corporals, Police Sergeants, and Police Lieutenants) with the City.
 - ii. Seven and a half percent (7.5%) of Step 6 Police Officer base hourly rate for fifteen (15) years of service as a Police Officer (Police Officers, Police Corporals, Police Sergeants, and Police Lieutenants) with the City.
 - iii. Ten percent (10%) of Step 6 Police Officer base hourly rate for twenty (20) years of service as a Police Officer (Police Officers, Police Corporals, Police Sergeants, and Police Lieutenants) with the City.

4. Vacation Accrual Lateral Officers

- a. Effective October 8, 2022, a newly hired Lateral Police Officer's vacation accrual may be adjusted upon hire to provide the Officer with credit for previous sworn public service upon the approval of the City Manager, or designee.
- b. Current Police Department employees hired as Lateral Police Officers before October 1, 2022 may request an adjustment for their prior sworn police officer experience towards their vacation accrual rate. In order to receive this adjustment, POA will submit documentation in writing which shall be verified by the Police Department. This adjustment to the accrual rates and the corresponding accrual caps shall be effective on the date approved by the Human Resources Director.

5. Detective 2 Skill Pay for Homicide Detectives:

- a. Effective October 8, 2022, Detective 2 premium for specific detail (Homicide) will be paid at 12.5 percent of Step 5 Police Officer. This skill pay is not stackable with Detective pay.

6. Supervisory POST Pay for Police Lieutenants:
 - a. Effective October 8, 2022, eligible Police Lieutenants can receive Supervisory POST pay of 10 percent of Step 5 Police Lieutenant base rate of pay.
7. Patrol Skill Pay Premium:
 - a. POA members routinely and consistently assigned to the Patrol Division, as determined by the Chief of Police, will receive a Patrol Premium of three (3) percent at Step 5 of Police Officer. Classifications already receiving other premium skill pays (i.e., Helicopter Pilot, Helicopter Observer, Motorcycle, Detective, Canine, Port Security, Dive, and SWAT) will not be eligible for this skill pay.
 - b. POA members assigned as qualified relief to the Patrol Division, as determined by the Chief of Police, will receive a Patrol Premium of three (3) percent at Step 5 of Police Officer at a per diem rate.
8. Bilingual Pay increase: Effective October 8, 2022, the Bilingual Pay for POA members shall increase from \$0.80 per hour to \$1.20 per hour.
9. Police Referral Bonus Program: For every Police referral from a POA Member that is successfully hired, the referring POA Member will receive a Referral Incentive Bonus (paid in two parts). There shall be no limit as to how many referrals an employee can submit.
 - a. Once a Police Recruit applicant successfully completes the Police Academy, the POA member shall be eligible to receive the first referral bonus.
 - b. Once a Lateral Police Officer applicant successfully completes six (6) months of service as a City of Long Beach Police Officer, the POA member shall be eligible to receive the first referral bonus.
 - c. Once an applicant (Police Recruit or Lateral Police Officer) has successfully completed the established probationary period, the POA member shall be eligible to receive the second and final referral bonus.
 - d. For a referral from a POA member for an entry-level police officer position:
 - i. Each bonus will be one-time ad hoc, non-pensionable amount of \$1,500 (\$3,000 total referral).
 - e. For a referral from a POA member for a Lateral police officer position:
 - i. Each bonus will be a one-time ad hoc non-pensionable amount of \$2,000 (\$4,000 total referral).
10. Military Leave: Reopener during the term of the agreement to update language on Military Leave.

11. POA President: Reopener for the parties to engage in further discussions regarding the full-time Police Officer Association President.
12. Field Training Officer Program, Selection, Assignment and Incentive Pay: Reopener during the term of the agreement.

This matter was reviewed by Assistant City Attorney Gary J. Anderson on October 19, 2022 and by Budget Manager Grace H. Yoon on October 18, 2022.

TIMING CONSIDERATIONS

City Council action is requested on November 1, 2022, to ensure timely implementation of the MOU provisions.

FISCAL IMPACT

The agreement has a total structural annual net fiscal impact of \$24.19 million in the General Fund Group and \$25.28 million across All Funds once fully implemented in FY 25. The one-time retention payment, effective the first full pay period of FY 25, is anticipated to cost \$3.35 million in the General Fund Group and \$3.5 million across All Funds. Total combined structural and one-time costs once fully implemented in FY 25 is \$27.54 million in the General Fund and \$28.78 million across All Funds.

The estimated cost of the referral bonus and Vacation Accrual Lateral Officers program is unknown at this time as it is dependent on how many lateral bonuses are generated by the program. Any approved bonuses will be absorbed in the Police Department's current appropriations.

The table below shows the breakdown of these costs by fiscal year, by General Fund and All Funds, and by structural and one-time.

POA Net Contract Cost by Fiscal Year (in \$ millions)

Fund	FY 23	FY 24	FY 25	Total
General Fund Total	\$13.65	\$6.06	\$7.82	\$27.54
Structural	\$13.65	\$6.06	\$4.48	\$24.19
One-Time	\$--	\$--	\$3.35	\$ 3.35
All Funds Total	\$14.21	\$6.37	\$8.21	\$28.78
Structural	\$14.21	\$6.37	\$4.71	\$25.28
One-Time	\$--	\$--	\$3.50	\$ 3.50

This agreement is recommended as an important and necessary part of the City’s ability to mitigate staffing challenges citywide and to support its current employees, as well as retain and attract new employees. These costs, however, will add to the projected General Fund shortfall, which was \$28.1 million for FY 24 based on the latest projection from Summer 2022 and inclusive of City Council adopted changes on budget adoption night. Based on this agreement, the General Fund shortfall will increase by \$8.97 million, \$1.23 million, and \$2.85 million for FY 23 through FY 25 respectively, adding a total of \$13.05 million to the out-year shortfall projections, resulting in a projected shortfall of \$38.30 million needing to be resolved in FY 24. When including the recently negotiated FFA contract, the FY 24 shortfall increases to \$42.83 million. While projections will be updated with new information that may have both positive or negative impacts, these costs along with any other negotiated contracts will be adding to the fiscal challenges that are anticipated to require reduction of services if other solutions are not identified. Additional details of the impact on the shortfall projections are provided below.

As the outcome of negotiations was unknown at the time of the FY 23 Budget adoption, a placeholder amount was included for all potential negotiated agreements in the FY 23 Budget and also included in the out-year projections. In FY 23, \$4.49 million of the \$13.65 million contract cost is included in the budget and the unbudgeted costs in FY 23 of \$8.97 million in the General Fund Group will need to be covered with one-time funds available in FY 22 or FY 23, which will be evaluated as part of FY 22 year-end close. An appropriation increase for FY 23 reflecting these costs will be brought to the City Council in a separate citywide budget adjustment letter, combined with other negotiated adjustments for other bargaining groups. The ongoing structural costs will be built into the projections as part of the Proposed FY 24 budget development. The estimated costs to the General Fund Group in FY 24 and FY 25 is \$1.23 million and \$2.85 million respectively, for a total impact of \$4.08 million beyond what is included in the latest out-year projections. In total, for FY 23 through FY 25, there is \$13.05 million being added to the out-year shortfall projections beyond what was already included (of which \$10.20 million will impact FY 24).

This recommendation has a moderate staffing impact to implement the payroll changes but is within the normal budgeted scope of duties and is consistent with existing City Council priorities. There is no local job impact associated with this recommendation.

MEMORANDUM OF UNDERSTANDING

Section I - Parties to Memorandum of Understanding

This Memorandum of Understanding (MOU) or Agreement is made and entered into by and between the City of Long Beach, a Municipal Corporation (City) and the Long Beach Police Officers Association (Association) pursuant to Government Code 3500 et seq.

Section II – Purpose

It is the purpose of this MOU to promote and provide for harmonious relations, cooperation, and understanding between the City and the employees covered herein; to provide an orderly and equitable means of resolving any misunderstanding or differences which may arise under this MOU; and to set forth the understanding of the parties reached as a result of good faith negotiations.

Section III – Recognition

The City of Long Beach hereby recognizes the Police Officers Association as the exclusive representative for employees in the basic and supervisory Police unit classification referenced in Appendix A of the Memorandum, subject to the right of an individual employee to represent himself/herself as provided in Government Code Section 3502.

Section IV - No Discrimination

- A. The parties mutually recognize and agree fully to protect the rights of all employees covered by this MOU, and that all employees so covered shall have the right to join and participate in the lawful activities of the Association, and to exercise all rights expressly and impliedly set forth in Section 3500 et seq. of the Government Code of the State of California. No employee shall be interfered with, intimidated, restrained, coerced, or discriminated against because of the exercise of these rights.
- B. The provisions of this MOU shall be applied equally to all employees covered without favor or discrimination because of race, color, sex, age, creed, or religion, and in accordance with all applicable State and Federal Laws.
- C. The City and the Association agree that unit members will not be discriminated against because of membership or non-membership in employee organizations.

Section V - Employee Organization Rights and Responsibilities

A. Association Representation Responsibilities

The Association has the duty to fairly represent all members of the bargaining unit.

B. Board Member List

A current list of board members, including names and classifications shall be submitted to the Director of Human Resources. Any changes on this Board shall be submitted, with the same required information as stated above, to the Director of Human Resources within ten working days following such changes.

C. Dues and Benefit Deduction Program

1. During the term of this Agreement, upon receipt of an executed voluntary written authorization, the City shall deduct Association dues and benefit program premiums from the pay of employees represented by the Association. The form for this purpose shall be provided by the City and the amounts to be deducted for union dues shall be certified to the City by the appropriate Association official. For such purposes, the City shall charge the Association five and one-half cents (\$.055) per deduction.
2. The Association hereby agrees to indemnify and hold harmless the City for any loss or damages, claims or causes of action, arising from the operation of this provision of the Agreement. It is also agreed that neither any employee nor the Association shall have any claim for error against the City for any deductions made or not made, as the case may be.

D. Release Time

The City shall authorize the Association President and the Board of Directors union release time from their regularly scheduled duties. As used herein, union release time shall be authorized leave with pay to conduct full-time employee organization representation activities. Employees on such union release time shall be reported and compensated as if on vacation. While on union release time, such employees shall not be eligible for Workers' Compensation benefits or any benefits ordinarily available to Peace Officers under Division 4 of the California Labor Code.

1. The Association President shall be authorized union release time from the effective date of this agreement through the term of this agreement.
2. Subsequent to October 1, 2003 and every October thereafter, the Association shall reimburse the City for release of the Association President by reducing each bargaining unit member's scheduled holiday hours by up to 4.0 hours. This reduction in holiday hours shall only apply to members

in the classification of Police Officer, Police Corporal, Police Sergeant and Police Lieutenant.

3. Board of Directors Union Release Time

- a. On October 1 of each year, the City shall authorize the Police Officers Association Directors union release time in a total aggregate amount not to exceed 1,000 hours annually to be divided among such Directors as the Police Officers Association may decide. Any portion of this annual aggregate 1,000 hours which is unused at the end of the year shall be carried forward to be used in the next year. Accumulated unused release time authorized in this paragraph will not be carried forward past the term of this agreement, unless the provisions of the MOU are extended by mutual agreement, in writing, while good faith negotiations to secure a new agreement are proceeding.
 - b. In addition to the 1,000 hours of release time allotted to the Association Board of Directors from the City, the bargaining unit members may volunteer hours from their individual accumulated unpaid holiday or banked overtime to be used by the Board members. Such donated hours may be used by Board members and union stewards. Use of hours by union stewards will require a minimum of seven (7) days prior notification. Donated hours will be carried over continuously.
4. The total time identified in paragraphs 2 and 3 above for President/Director release time shall not exceed 5000 hours. If necessary, the holiday hours deducted from members in paragraph 2 above will be reduced to ensure the 5000-hour maximum is not exceeded.
 5. Bargaining unit members on union release time, if currently receiving Field Training Officer (FTO) or One Officer Car (OOC) pay while on union release time, may charge the applicable pay against the union's release time account.
 6. With prior agreement the City shall reimburse the Association for hours used by Board members when their time and support of a City position is requested.
 7. Procedure
 - a. The Chief of Police or designee shall authorize the requested release time when such request is submitted one week (7 calendar days) in advance of the day or days requested. Documented emergency situations, such as Officer-involved shootings, or other situations when it is not possible to give prior notice, will likewise be honored.

Approval of other requests will not be unreasonably withheld. During a Police emergency, the Chief of Police may cancel release time.

- b. On a quarterly basis, the City shall provide the Association with a report detailing the number of release time hours used in the preceding quarter.

8. Disputes

- a. In the event that a dispute arises regarding the number of hours used or any other issue involving the administration of the union release time, the Association President and the Chief of Police will meet and attempt to resolve the matter.
- b. If the dispute cannot be resolved to the mutual satisfaction of the Association President and the Chief of Police, the dispute shall be submitted as a grievance to the Director of Human Resources.

9. Non-Union Release Time Bargaining Unit Representation

The parties to this MOU agree that the working hours spent by bargaining unit members, including the Association Directors, acting as an employee representative for bargaining unit members only in grievances, discipline hearings, shooting boards, Officer-involved shooting investigations, meet and confer sessions and consulting with City management on all matters covered by the Meyers-Milias-Brown Act (California Government Code Section 3500, et seq.) shall not be considered union release time.

10. Association President Release Time

During the term of the MOU, the City and the Association agree to engage in further discussions regarding a full-time Police Officer Association President. No changes to the current term and conditions of employment may be made during the term of this MOU without the mutual written agreement of the Association and City.

E. Transfer of Members of the Police Officers Association Board of Directors

While serving as a member of the Association Board of Directors, a member will be permitted to remain in his/her Division assignment provided they are performing their duties at an acceptable level. If they were assigned to a position which is normally rotated, they will be treated the same as other members of the Department.

If an Association Board of Directors member feels he has been unjustly retaliated against or unfairly treated, he can appeal directly to the Chief of Police. If the issue

is not resolved within 10 business days by the Chief of Police, the Director can appeal directly to the City Manager. The City Manager or designee must hold a hearing within 10 business days from the date of the Director's request. The decision must be rendered in 10 business days from the date of the hearing. If appealed by the Director, the transfer will be stayed until the decision is made by City Manager.

F. Addressing Squad Meetings

It shall be the policy of the Long Beach Police Department to allow Association Directors to address the Patrol Division squad meetings under the following conditions:

1. The Association Director shall obtain permission to address the squad meeting from the ranking Command Officer on duty. He shall state the topic to be spoken about. Such permission and topic advisement shall be accomplished prior to the beginning of the squad meeting. If an Association Director is denied an opportunity to address squad meetings, the ranking Command Officer who refused this request shall file a memorandum to the Chief of Police prior to the end of his/her shift explaining why the Association was denied this opportunity. The Association will be served a copy of this memorandum within 24 hours of date of occurrence.
2. At the conclusion of the regular squad meetings, the ranking Command Officer shall announce that a presentation is to be made by a member of the Board of Directors of the Police Officers' Association. Attendance is not mandatory.
3. Presentations to squad meetings by Association Directors shall not exceed ten (10) minutes unless specific permission is granted by the ranking Command Officer on duty. The Association Director shall not speak to such length that would cause delay in relief of the watch going off duty.
4. The topics that may be discussed must be related to wages, hours, and working conditions.
5. At no time shall an Association Director ridicule the Long Beach Police Department, any member or organizational unit of the Long Beach Police Department whether by name, title, capacity or inference. This does not preclude legitimate constructive criticism regarding Police Department policies, practices and procedures.
6. The above procedures shall be subject to the existing grievance procedure.

Section VI - City Obligations and Responsibilities

A. City Obligations

In order to ensure that the City shall continue to carry out its public safety functions, programs, and responsibilities to the public imposed by law, and to maintain efficient public safety service for the citizens of Long Beach, the City continues to reserve and retain solely and exclusively all rights of management, except as specifically vested to the Association by this Agreement, regardless of the frequency of use, including those rights and responsibilities set forth by law including but not limited to the following rights:

1. To manage the Police Department and determine policies and procedures and the right to manage the affairs of the Department.
2. To take into consideration the existence or nonexistence of facts, which are the basis of the management decision in compliance with State law.
3. To determine the necessity, organization, implementation, and termination of any service or activity conducted by the City or other government jurisdictions and to expand or diminish police services.
4. To direct, supervise, recruit, select, hire, evaluate, promote, transfer, discipline, discharge, terminate, demote, reduce, suspend, reprimand, withhold salary increases and benefits for disciplinary reasons, or otherwise discipline employees in accordance with City, Department, and/or Civil Service Rules and Regulations.
5. To determine the nature, manner, means, extent, type, time, quantity, quality, standard, and level of police services to be provided to the public.
6. To require performance of other public safety services not specifically stated herein in the event of emergency or disaster, as deemed necessary by the City.
7. To lay off employees of the Police Department because of lack of work or funds or under conditions where continued work would be inefficient or ineffective.
8. To determine and/or change the police facilities, methods, technology, equipment, operations to be performed, organizational structure, and allocate and assign work by which the City police operations are to be conducted.
9. To determine methods of financing.

10. To plan, determine, and manage the Department's budget, which includes but is not limited to, the right to contract or subcontract any work or operations of the Police Department.
11. MILITARY LEAVE BENEFITS

City of Long Beach
Working Together to Serve

Memorandum

Date: December 23, 2002

To: Employees Subject to Military Service in 2003

From: Kevin Boylan, Acting Director - Human Resources

Subject: Employees Called to Military Duty – Revised for 2003

This memo concerns employees who may be called to military duty during 2003. The City Council recently approved a resolution extending, through December 31, 2003, the supplemental benefits for full-time employees involuntarily called into active military service in support of the war on terrorism. We want to make you aware of these City benefits, as well as other benefits to which you may be entitled under state and federal law. This memo revises and supercedes all previous memos on military leave benefits.

GENERAL PROCEDURES

It is important that you provide written notice to your supervisor as far in advance as possible of any anticipated call to military service. In some cases, this may be before you have even received your written orders. When you receive orders calling you to military service, you must submit a copy to your supervisor who shall forward them to your department's Payroll/Personnel Office. You should also designate someone to act on your behalf for matters relating to your military leave benefits. This person should be made aware of the City benefits for which you are eligible while on military leave, and of the procedures required to receive these benefits.

STATE & FEDERAL MANDATED BENEFITS

If you are called to military duty, you may be entitled to benefits as provided under applicable state and federal laws: the state Military and Veteran's Code (MVC) Sections 389 et seq. and the federal Uniformed Services Employment & Reemployment Rights Act (USERRA) 38 U.S.C. Sections 4301 et seq. Since the following is intended to be a summary, the state and federal laws may have additional benefits and conditions that apply. In all cases, the state and federal laws shall be controlling.

Wages

State law provides that when you are absent on active military duty or temporary military leave (including active duty for training, encampment, naval cruises, special exercises or similar activities) and have at least one year of City service or combined City and/or military service, you will receive your regular salary for the first 30 calendar days for any one military leave of absence or during any one fiscal year (i.e., July 1st to June 30th). There is an exception, however, for National Guard members called to active duty. They are entitled to the first-30 days of pay

regardless of length of City service. Note that there is no exception for National Guard members on temporary military leave.

Accruals

State law provides that when you are absent on temporary military leave (i.e., active duty for training, encampment, naval cruises, special exercises or similar activities) and have at least one year of City service or combined City and/or military service, you will continue to accrue the same vacation, sick leave and holiday privileges for up to a maximum period of 180 days that the you would have received had you not been on leave. Employees absent on active military duty are not entitled to sick leave or vacation accrual under MVC Section 395.1(b).

Federal law provides that when you are absent for military duty you will continue to accrue the same Civil Service seniority and credit for retirement benefits that you would have received had you not been on leave.

Reemployment Rights

State and federal law provides that you are entitled to reinstatement or reemployment with the City in the same or similar position held prior to being called to military duty.

SUPPLEMENTAL CITY BENEFITS

In addition to the benefits indicated above, if you are a full-time officer or employee of the City who has been or is involuntarily called to active military duty with the Armed Forces of the United States on or after September 11, 2001, in support of the war on terrorism, you are also entitled to the following additional benefits through December 31, 2003.

Wages

You will receive an additional supplemental wage benefit equal to the difference between your gross pay and allowances from the military and your gross wages from the City.

To receive this supplemental wage benefit you or your designee must submit each military paycheck stub to Central Payroll (6th floor, City Hall) along with a mailing address. When a military check stub is submitted, a paycheck for the difference will be generated either as part of the City's regular pay cycle or upon your return. If you utilize direct deposit for your paycheck, the supplemental wage check will also be deposited in your bank account. Your direct deposit paycheck stubs will be mailed to you.

Health/Dental/Life Insurance

You will continue to be eligible for your health, dental, and life insurance benefits. To maintain this coverage, however, you must continue to pay your normal employee contribution each month. If your military check stub is submitted in a

timely manner, the deductions may be taken directly from your supplemental wage benefit. As an alternative, you or your designee may send in a personal check for the employee portion each month. You must make these payments for your insurance to be continued.

QUESTIONS & PROCEDURES

If you have any additional questions regarding these benefits, feel free to contact your department's Payroll/Personnel Office.
