**FISCAL IMPACT:**

This recommendation requests the City Manager to provide a contribution to Wild West Women, Inc to support their inaugural Long Beach Woman's Fair. The total appropriation increase of \$500 in the General Fund Group in the City Manager Department will be offset by a decrease in appropriation of the Fourth Council District One-time District Priority Funds in the General Fund in the Citywide Activities Department. This recommendation is anticipated to require a minimal level of staff hours beyond the budgeted scope of duties and is expected to have minimal impact on existing City Council priorities.
