(a) "Commercial recreation" is any recreational use in parks for which a fee is charged independent of City oversight. (See definition for "commercial recreation" in Section 21.15.565 and findings for such uses in the park P district in Section 21.52.610.)

(b) "Community service use" is a service provided for the health and welfare of the individual receiving the service. Such uses in parks do not include the permanent provision of food, shelter or medical services except for counseling, health fairs, medical screening and the like. Nonregional community service uses serve the local community—the neighbors nearby who require the service. Regional serving community service providers serve a much wider constituency.
