RE: Disposal Rate Increase

This letter is to inform you of our disposal rate changes at the following transfer stations effective November 1, 2017.

BEL-ART
2495 E. 68th St.
Long Beach

Falcon

The increased rates are the result of the implementation of California Senate Bill 1 (SB1) as well as increased green waste handling and processing costs. In addition to SB1, we have seen significant disposal cost increases for green waste from the respective disposal locations.

As a result of these increase to our costs, we are revising the rates for contract # 34224 to reflect the proposed rate increase on ITB-LB16-017 Diversion of Green Waste (Bid Section – Attachment A)
