**Proposed Time:** 11am to 1pm

**Tech AV Needs:**

Mic

Slideshow Capabilities

Audience Mic for Q and A

**Order of Discussion:**

- Early historical acknowledgement of disability - asylums, 'lab rat' type studies.
- Early historical stereotypes of the disability community - sterilization of women with disabilities to prevent them from procreating.
- Pre-Civil Rights - how the Vietnam War was really the driver for disability inclusion because of all of the soldiers that came home injured.
  - De-institutionalization, educational spaces, workplaces issues
- Repeal 504 of the Civil Rights Movements.
- Independent Living Movement - founding fathers
- Exclusion of people with disabilities from the Civil Rights Laws.
- Pre-ADA
- Post ADA
- Current existing stigmas
- People first language

**Proposed Agenda**

Heather Van Wijk will open the program and introduce the ad hoc Committee.
