

**Date:** June 15, 2021  
**To:** Honorable Mayor Garcia and Members of the City Council  
**From:** Daryl Supernaw, Councilmember, Fourth District  
**Subject:** **Transfer of Funds: Long Beach Fire Museum**

---

**RECOMMENDATION:**

Increase appropriations in the General Fund Group in the City Manager Department by \$500, offset by the Fourth Council District One-time District Priority Funds, transferred from the Citywide Activities Department to provide a donation to the Long Beach Fire Museum; and,

Decrease appropriations in the General Fund Group in the Citywide Activities Department by \$500 to offset a transfer to the City Manager Department.

**DISCUSSION:**

The Long Beach Fire Museum provided an antique fire engine for the grand re-opening of Community Hospital. Their mission is to collect and display the rich history of the Long Beach Fire Department. Donations are needed for display developments, restoration projects and to keep admission to the museum free.

This matter has been reviewed by Budget Manager Grace H. Yoon on June 7, 2021.

**FISCAL IMPACT:**

This recommendation requests the City Manager to provide a contribution to the Long Beach Fire Museum. The total appropriation increase of \$500 in the General Fund Group in the City Manager Department is offset by the Fourth Council District One-time District Priority Funds in the Citywide Activities Department. This recommendation is anticipated to require a minimal level of staff hours beyond normal budgeted scope of duties and is expected to have a minimal impact on existing City Council priorities.
