

# On-Call Services for Emergency Water and Sewer Repair

July 8, 2021

# Why We Need On-Call Emergency Contracts?

- For emergency repairs of existing water and sewer facilities on as needed basis including:
  - Emergency repairs of water and sewer main breaks
  - Emergency repairs related to the Long Beach Groundwater Treatment Plan, sewer lift stations, and other LBWD infrastructure.

# Bid Evaluation and Contractor Selection

- Bid amount is calculated utilizing a Sample Project prepared by LBWD and the Contractor's submitted unit rates.
- Six (6) contractors submitted a bid, and the lowest three (3) bidders, based on the calculated totals, were selected.

# Contract Term and Amount

- The selected contractors will enter into three (3) separate two-year contracts with LBWD and will have a contract value of \$750,000 each.

# Staff Recommendation

- Adopt Specifications WD-18-21 for the On-Call Services for Emergency Water and Sewer Repair and authorize the General Manager to enter into three (3) separate two-year contracts with (1) Ramona, Inc., (2) Mike Prlich & Sons, Inc., and (3) Charles King Company, Inc., each in the amount of \$750,000, with provision to extend for two (2) separate consecutive periods of one year each, subject to approval of the Board.
