11. 17-227CS      **REQUEST TO FILE LATE APPEAL**

*Communication from Kit Gonzalez, Public Safety Dispatcher, DPEC*

Ms. Slaten briefed the Commission on this request.

Ms. Leslie Untener, Administration Manager, spoke on behalf of Disaster Preparedness and Emergency Communications (DPEC), and explained the Department's position on this matter.

Mr. James E. Trott, Attorney at Law, spoke on behalf of Ms. Gonzalez, advising that she relied upon her Union Representative to file her appeal on her behalf. The Union Rep did not file the appeal within the required 10-day period, however Mr. Trott explained that it was not Ms. Gonzalez's fault that her appeal was not filed in a timely manner.

Vice-President Smith-Watts inquired if there was a Union Representative present to speak on this matter. There was no response from any meeting attendees.

The Commissioners, Mr. Trott and Principal Deputy City Attorney Gary Anderson participated in discussion on this matter. A motion was then made to allow Ms. Gonzalez to submit a late appeal, as the Union did not file her appeal in a timely manner, and pursuant to Rule 115 of the Civil Service Rules and Regulations.

Mr. Trott confirmed with the Commission that Ms. Gonzalez's appeal paperwork will be accepted; she will not be required to refile her appeal.

Ms. McDonald advised that this Agenda Item provided an excellent example as to why the Civil Service Department is revisiting its Rules and Regulations. Ms. McDonald stated that the rules were created when Civil Service processes were different and the Commission has also changed. To clarify current procedures, Ms. McDonald will be bringing this issue to the Rules Committee.

Commissioner Perry hoped to see more detailed documentation from whomever is responsible for filing an appeal, whether it be the employee or someone working on their behalf, should a situation of this nature come before the Commission again. Commissioner Hicks clarified that his vote was based on his determination that the Commission should not hold prejudice against the employee because the Union did not file her appeal in

a timely manner.

**A motion was made by Commissioner Hicks, seconded by Commissioner Perry to approve recommendation. The motion carried by the following vote:**

**Yes:** 4 - Charles Hicks, Robin Perry, Carolyn M. Smith Watts and Phyllis Arias

**No:** 1 - Rick McGilton-McGlamery

### **Recruitment & Selection**

Ms. Slaten advised that Executive Director Ms. Taylor-Sherwood is speaking at California State University Long Beach this morning.

Ms. Slaten and Ms. Taylor-Sherwood attended the Tuesday, November 14, 2017, City Council meeting, during which the Human Resources Department presented the EEO plan and Workforce Demographics report. Ms. Slaten will be sending a summary of the report and an electronic version of the full workforce demographics document to the Commissioners.

Ms. Slaten advised that several Councilmembers have been very supportive of the Civil Service Department's recruitment efforts and want to ensure we are building the resources needed to continue advancing recruitment efforts and diversity outreach.

Ms. Slaten advised that on Monday, November 13, 2017, Civil Service staff partnered with the Disaster Preparedness and Emergency Communications Department (DPEC) to conduct Managing Spontaneous Volunteers training. This training is a continuation of the FEMA training that Ms. Taylor-Sherwood and Ms. Slaten attended in Maryland. Civil Service staff simulated a response to an emergency situation in a mock-up volunteer reception center. Civil Service staff will conduct additional training in 7 to 8 months to reinforce skills and response in the event of a real emergency.

Members of the Recruitment Team attended the Veterans Day parade in North Long Beach on Saturday, November 11, 2017. Personnel Assistant Maria Macias and Assistant Administrative Analyst Kris Ramos recruited for the Long Beach Police Department, Long Beach Fire Department and other city departments with current vacancies. Ms. Macias and Mr. Ramos made excellent contacts with middle-school aged children, encouraging them to make wise decisions which will help them build a solid foundation for a variety of job opportunities when they reach employment age.

Ms. Slaten and Ms. Taylor-Sherwood will be attending the Women in Trade luncheon, hosted by the Harbor Department, on Thursday, November 16, 2017, which will be another excellent opportunity to conduct recruitment and outreach.

Ms. Slaten acknowledged Ms. McDonald, who, along with Ms. Glendy Martinez, Human

Resources Personnel Analyst, received an award for completing the on-line requisition system. The award was presented during the Civic Innovation Summit, which was held at the Molina Healthcare Center on Tuesday, November 14, 2017. Other Civil Service staff in attendance were Ms. Taylor-Sherwood, Ms. Sharon Hamilton and Mr. Keion Bryant. The Commission congratulated Ms. McDonald and Ms. Martinez on their achievement.

Ms. Slaten also advised that the Recruitment Team has received several Certificates of Appreciation from several organizations, acknowledging the Team's participation in diversity and recruiting events.

### **Special Projects**

Ms. McDonald advised that the Long Beach Civic Innovation Summit was an excellent event, well organized and well attended by members of the private sector, non-profit organizations and government agencies. Ms. McDonald added that the keynote speaker's address was inspiring, explaining that innovation is a hallmark of today's leaders. The speaker challenged attendees to consider what effect innovation will have on the legacy they leave behind.

Ms. McDonald added that there were scientific-based activities for Innovation Summit participants to complete. Ms. McDonald also shared announcements made during the Summit; of particular interest is the Space X missile program housed at the former Boeing property located on Conant Avenue. Ms. McDonald also thanked Ms. Sharon Hamilton and Mr. Keion Bryant for their assistant and support with the on-line requisition system.

### **Administration Support Services**

Ms. Alamo thanked Ms. McDonald for completing the on-line requisition system, emphasizing that it has been a huge benefit to the Administrative Support Division. Prior to the on-line system, staff were required to process requisitions by hand. Ms. Alamo advised that the on-line system has significantly streamlined work processes.

### **Executive Director's Report**

The Executive Director's Report was included in the Managers' Report by Ms. Slaten.

### **UNFINISHED BUSINESS**

President Arias advised that the Special Services Officer report will be brought back to the Commission during the next meeting on December 6, 2017.

President Arias announced that the first reading of the Executive Director's recommendations for changes and processes will also be heard during the next meeting.

## **NEW BUSINESS**

### **COMMENTS FROM THE PUBLIC - The Civil Service Commission will hear from members of the public on matters within the Commission's jurisdiction.**

Vice-President Smith-Watts acknowledged Ms. Slaten for assisting Ms. Taylor-Sherwood in leading the Civil Service Department's efforts to prepare for emergencies.

As a member of the American Red Cross and Community Emergency Response Team (CERT) volunteer through the Long Beach Fire Department, Vice-President Smith-Watts experienced first-hand the challenges in managing volunteers during emergency situations, as was experienced during the Southern California Edison power outage in central Long Beach two years ago.

Vice-President Smith-Watts acknowledged Disaster Preparedness and Emergency Communications Director Reginald Harrison, Ms. Taylor-Sherwood, and the Long Beach Fire Department for leading spontaneous volunteer efforts and commended their commitment in preparing city employees and citizens for emergency situations.

Vice-President Smith-Watts encouraged everyone to be prepared in the event of an emergency or disaster.

Ms. McDonald reminded all city employees in attendance that their employee ID card identifies them as registered disaster service workers.
