**4. OLD BUSINESS**

- Continuation of Council District and Community Concerns on Encampments and Visibility of Homelessness Discussion
  - Chair Sngiem, Committee Member Kripp, and Committee Member Pearson introduced the item.
- District 1, Committee Member Kripp
  - Discussed public education on homelessness.
  - Discussed utilizing past public education proposals.
  - Meets with district staff on a weekly basis.
- District 2, Committee Member Pearson

- Property value and businesses are impacted by increased homelessness.
  - Residents are getting priced out of their homes.
  - Affordable housing units are limited.
- District 3, Committee Member Rew
  - Focus on offering services to people experiencing homelessness near beach and encampments.
  - Project Homekey site for permanent supportive housing.
  - Provide quarterly updates to district representatives.
- District 4, Chair Sngiem
  - Visibility and encampments were reported in Los Coyotes, near freeways, joint jurisdiction areas, parks, and business districts.
  - District held community information sessions.
- District 5, Committee Member Johnson
  - Supports interdepartmental coordination with Quality of Life and HEART.
  - Visibility and encampments were reported in riverbeds, freeway under pass. Some criminal activity was reported in hot spots.
- District 6, Committee Member Solano
  - Spoke with staff from homeless shelter and discussed process of finding housing or utilizing Section 8.
  - Recommended creating policies and programs that help people experiencing homelessness rent homes.
- District 7, Vice Chair Hui (not present)
- District 8, Committee Member Howat
  - Discussed tiny village approach moving from encampment to community.
  - Recommended reaching out to local development entities to locate or build more affordable housing.
- District 9, Committee Member Wilson
  - District advocates and dispels misinformation regarding homelessness.
  - Visibility and encampments were reported in riverbeds and near freeways.
  - Address problems with code enforcement issuing notices and citations to owners of properties with encampments.
- At large, Committee Member Barrera
  - Spoke with council members and mayor in the past about housing and family programs to address homelessness.
  - Reported on successes and failures of projects and approaches.
  - Recommended working on policy changes and reviewing program funding.
  - Requested more information on current and potential programs.
- Chair Sngiem retires at 4:31 p.m.
- Committee Member Kripp presiding.
- At large, Committee Member Lie
  - Requested a summary of current and past city solutions to address homelessness. Inform new committee members of projects.
  - Focus on converting buildings to housing instead of building new housing.

- Paul Duncan, Homeless Services Officer, provided an overview of current and future city efforts to address homelessness
  - Homeless Services has been consistently adding programs, beds, and permanent supportive housing projects.
  - City officials and departments reported increasing visibility of homelessness
  - Recommended offering outreach services instead of issuing citations.
  - Regular cleaning of public spaces is required to address health issues.
  - Discussing development of micro units and tiny home communities.
  - Observed more people living in cars and RV's. Need more safe parking.
  - Adding two public health nurses and mental health clinicians for outreach.
  - Discussing holding community forums with districts.
