City Council approval is requested to enter into an annual contract for furnishing and delivering window glass and glass replacement services.

City Council action to adopt Specifications No. PA-03107 and award a contract concurrently is

requested on October 2, 2007 to ensure the new contract is in place expeditiously. The current contract expired October 1, 2007; however there is an interim mechanism in place.

The cost of this contract, in the estimated amount of \$125,000 annually, is budgeted by various participating departments and is based on historical expenditures. The City will have the option of adding expenditures up to 10 percent (or \$12,500 annually) above the requested contract amount.
