On February 14, 2006, this item was laid over for 30 days (Attachment A). The business license applicant has been making suitable progress towards complying with California State Building Codes; however, more time is required to complete installation and inspection of electrical service. The Planning and Building Department recommends an additional 30-day extension of time (Attachment B).

There are no timing constraints for this item.

There is no fiscal impact associated with this item.
