This recommendation provides District Priority Funds to support sidewalk repairs in the Fifth

Council District. The total appropriation increase of \$20,000 in the Capital Projects Fund Group in the Public Works Department will be offset by a transfer of Fifth Council District One-time District Priority Funds from the General Fund Group in the Citywide Activities Department. Implementing this recommendation is anticipated to result in a minimal impact on staff hours beyond the budgeted scope of duties and is expected to have minimal impact on existing City Council priorities.
