On October 19, 2010, at the intersection of Cherry Avenue and San Antonio Drive, Plaintiff, Jocelyn Mairena was rear-ended by a city employee. At the time of the incident, Plaintiff had two passengers, Ana Pineda and David Pineda each of whom also sued the City. The contact caused significant property damage and personal injuries.

Following settlement discussions with Plaintiffs' counsel, Plaintiff Jocelyn Mairena has agreed to accept \$4,500 as full settlement of this case, Ana Pineda has agreed to accept \$3,500 as full settlement of her personal injury claims, and \$3,700 for all property damage claims, and David Pineda has agreed to dismiss his Complaint with prejudice. Plaintiff caught her foot in a hole causing her to trip and fall at Heartwell Park while walking the perimeter of the park along Carson Street. The hole is one of several buried irrigation control valves that run along the north side of the park.

She sought treatment at Urgent Care and was diagnosed with a severely injured ankle. Plaintiff incurred approximately \$20,000 in medical specials and claimed \$12,000 in loss of earnings.

The proposed settlement was presented to the Economic Development and Finance Committee on March 5, 2013 and was approved on that date. We therefore ask authority to pay the sum of \$15,000 in full settlement of this claim against the City of Long Beach.

Approve recommendation.
