Recommendation to receive supporting documentation into the record, adopt resolution confirming the Bixby Knolls Business Improvement Area annual report, continuing the levy of assessment for the period of October 1, 2009 through September 30, 2010, conclude the hearing, and authorize City Manager to extend the agreement with the Bixby Knolls Business Improvement Association for one-year. (Districts 7,8)

The Bixby Knolls Business Improvement Association (BKBIA) uses assessment funds to promote and market the Bixby Knolls commercial area on behalf of businesses located in the Bixby Knolls Parking and Business Improvement Area (BKPBA). The City contracts with the BKBIA annually using assessment revenue collected from BKPBA members to govern the assessment to be collected and the activities to be funded by the assessment.

On August 27, 2009, the BKPBA Advisory Commission voted to recommend to the City Council approval of the BKPBA Assessment Report (Assessment Report). The Assessment Report describes the boundaries, proposed activities and budgetary information, as well as the method and basis for continuation of the assessment, and is provided as Attachment A.

To continue the assessment levy, State law requires that a public hearing be held on the proposed program and assessment. At its meeting of September 22, 2009, City Council reviewed the Assessment Report and set the hearing date for October 20, 2009.

State law further provides that the City Council shall hear and consider all protests against the assessment, program, boundaries of the area, and/or any benefit zone as proposed in the Assessment Report. The Assessment Report transmitting the recommendations of the BKPBA Advisory Commission proposes the following:

The law provides that protests may be made orally or in writing. Protests regarding the regularity or sufficiency of the proceedings shall be in writing. If written protests are received from area business owners representing 50 percent or more of the proposed assessments, the City Council shall not levy the assessment. If protests in such quantity are against a specific portion of the program, the City Council shall eliminate that portion.

A hearing notice and copy of RES 09-0106 was published in local media. The attached resolution concludes the hearing and approves the Assessment Report and levy for the period October 1, 2009 through September 30, 2010.

On September 22, 2002, the City and BKBIA executed an Agreement for Funding setting forth the duties and delegations of the parties. This agreement is automatically extended on a year-by-year basis upon approval of the annual Assessment Report and related levy of assessments by City Council.

This letter was reviewed by Assistant City Attorney Heather Mahood on September 1, 2009 and by Budget and Performance Management Bureau Manager David Wodynski on September 23, 2009.

The BKBIA contract year begins October 1, 2009. City Council action is requested following public hearing on October 20, 2009, to allow purchase order and contract modifications to be completed so that Fiscal Year 2010 (FY 10) assessment transfers may be made as required by the Agreement for Funding with the BKBIA.

It is estimated that the BKBIA will generate \$140,892 in FY 10 through the proposed continuation of the existing assessment. Assessment funds are collected through additional fees attached to BKBIA business licenses and passed directly through to the Bixby Knolls Business Association for implementation of annual programs.

Sufficient funds are included in the FY 10 Adopted budget in the Parking and Business Area Improvement Fund (SR 132) in the Department of Community Development (CD).

There is no fiscal impact to the General Fund.

Approve recommendation.
