Recommendation to authorize City Manager, or designee, to execute all documents necessary to amend Contract No. 34491 with ABM Aviation, Inc., formerly ABM Parking Services, Inc., of Los Angeles, CA, for airport parking operations and management services, to increase the contract amount by \$350,000, with a 10 percent contingency in the amount of \$35,000, for a revised total contract amount not to exceed \$9,047,391, and extend the term of the contract through February 28, 2023. (Districts 4,5)

City Council approval is requested to amend Contract No. 34491 with ABM Aviation, Inc. (ABM) to continue parking operations and management services at the Long Beach Airport (Airport) for 90 days.

On February 16, 2016, the City Council adopted RFP No. AP15-153 and concurrently awarded a contract to ABM for airport parking operations and management services. The award was for a period of three years with the option to renew for two additional one-year periods. In November 2021, City Council approved an extension for a third one-year period due to unexpected impacts created by the COVID-19 pandemic. The current contract will expire on November 30, 2022.

The Airport released a Request for Proposals (RFP) for Airport parking operations and management services on September 15, 2022. The Airport expects to select an operator in November 2022, and will request City Council approval. The proposed amendment will enable continuity of existing services without disruptions until a new contract is implemented. Extending the current contract for 90 days will also allow the selected operator, if needed, to

procure supplies and recruit staff to provide service at the Airport under the new contract.

This matter was reviewed by Principal Deputy City Attorney Richard F. Anthony and Purchasing Agent Mitchell Wilson on October 19, 2022, and by Budget Operations and Development Officer Rhutu Amin Gharib on October 27, 2022.

City Council action is requested on November 15, 2022, to ensure there is no interruption to services.

The requested amendment will increase the contract authority with ABM by \$350,000 with a 10 percent contingency of \$35,000 for a revised total contract amount not to exceed \$9,047,391. Sufficient appropriation for this amendment is budgeted in the Airport Fund Group in the Airport Department. This recommendation has no staffing impact beyond the normal budgeted scope of duties and is consistent with existing City Council priorities. It is anticipated that the contract will continue to have a positive impact on the local job market by preserving over 15 full-time and part-time employees.

Approve recommendation.

CYNTHIA GUIDRY
DIRECTOR, LONG BEACH AIRPORT

APPROVED:

THOMAS B. MODICA
CITY MANAGER
