Recommendation to receive supporting documentation into the record, adopt resolution confirming the Bixby Knolls Business Improvement Area Annual Report, continue the levy of assessment for the period of October 1, 2010 through September 30, 2011, conclude the hearing, and authorize City Manager to extend the agreement with the Bixby Knolls Business Improvement Association for one-year. (Districts 7,8)

The Bixby Knolls Business Improvement Association (BKBIA) uses assessment funds to promote and market the Bixby Knolls commercial area on behalf of businesses located in the Bixby Knolls Parking and Business Improvement Area (BKPPIA). The City contracts with the BKBIA annually using assessment revenue collected from BKPPIA members to govern the assessment to be collected and the activities to be funded by the assessment.

On August 25, 2010, the BKPPIA Advisory Commission voted to recommend to the City Council approval of the BKPPIA Assessment Report (Assessment Report) (attached). The Assessment Report describes the boundaries, proposed activities and budgetary information, as well as the method and basis for continuation of the assessment. To continue the assessment levy, State law requires that a public hearing be held on the proposed program and assessment. At its meeting of September 7, 2010, City Council reviewed the Assessment Report and set the hearing date for October 12, 2010.

State law further provides that the City Council shall hear and consider all protests against the assessment, program, boundaries of the area, and/or any benefit zone as proposed in the Assessment Report. The Assessment Report transmitting the recommendations of the BKPPIA Advisory Commission proposes the following:

- Continue the current year assessment at the following rates:

Type A \$ 135.00 + \$ 2.50/employee  
Contractors, Manufacturing, Professions, Wholesale, Unique, Insurance

Type B \$ 165.00 + \$ 3.25/employee  
Services, Vending Operations

Type C \$ 185.00 + \$ 4.00/employee  
Recreation & Entertainment, Retailing

Type D \$ 548.00  
Financial Institutions

- Independent Contractors (per Municipal Code 3.80.243) in service-related retail businesses operating at the same address as the primary licensee pay \$100.65 per year, plus \$3.25 per employee.
- Make no significant changes in the activities program.
- Make no changes in the existing boundaries.

The law provides that protests may be made orally or in writing. Protests regarding the regularity or sufficiency of the proceedings shall be in writing. If written protests are received from area business owners representing 50 percent or more of the proposed assessments, the City Council shall not levy the assessment. If protests in such quantity are against a specific portion of the program, the City Council shall eliminate that portion.

A hearing notice and copy of RES 10-0104 was published in local media. The attached resolution concludes the hearing and approves the Assessment Report and levy for the period October 1, 2010 through September 30, 2011.

On September 14, 2002, the City and BKBIA executed an Agreement for Funding setting forth the duties and delegations of the parties. This agreement is automatically extended on a year-by-year basis upon approval of the annual Assessment Report and related levy of assessments by City Council.

This letter was reviewed by Assistant City Attorney Heather Mahood, City Treasurer David Nakamoto on August 18, 2010, and by Budget Management Officer Victoria Bell on September 20, 2010.

The BKBIA contract year begins October 1, 2010. City Council action is requested following public hearing on October 12, 2010, to allow purchase order and contract modifications to be completed so that Fiscal Year 2011 (FY 11) assessment transfers may be made as required by the Agreement for Funding with the BKBIA.

It is estimated that the BKPBI will generate \$134,298 in FY 11 through the proposed continuation of the existing assessment. Assessment funds are collected through additional fees attached to BKPBI business licenses and passed directly through to the Bixby Knolls Business Association for implementation of annual programs. Sufficient funds are included in the FY 11 adopted budget in the Parking and Business Area Improvement Fund (SR 132) in the Department of Community Development (CD). As a result of the reorganization efforts that are currently in transition, a formal reconciliation to transfer these funds to the Department of Public Works will occur through a future FY 11 quarterly budget adjustment. There is no fiscal impact to the General Fund and no local job

impact associated with the recommendation.

Approve recommendation.
