Recommendation to request City Manager to report to council in no more than 90 days on the current oil and gas operations conducted in Long Beach. The report shall include but is not limited to exploration, drilling techniques, capping of old wells, storage, pipeline maintenance, and spill or other emergency preparedness.

Staff report pending.

There should be minimal fiscal impact as a result of this report. It is anticipated that this report can be generated internally, without the need for any new staff or consultants.

Approve recommendation.
