

Legislation Text

File #: 19-0080, **Version:** 1

Recommendation to authorize City Manager to execute a Post Commitment Addendum to Agreement Number 29956 with Hart InterCivic Inc. of Austin, Texas, for licensing and technical support for the Ballot Now voting system, to increase the amount by \$104,659 and extend the term to January 2020.

On January 9, 2007, the City Council unanimously approved (Uranga/Schipske) acquisition of the Ballot Now voting system from Hart InterCivic Inc. On January 19, 2016, the City Council authorized a Second Addendum to Agreement No. 29956 in the amount of \$301,902, for a fixed amount for the following three years. City Council approval is now being requested for the Post Commitment Renewal of the Addendum to the Warranty, Support and Licensing Agreement, so that the annual license and support fee is set at a fixed amount of \$104,659, for one year. Pursuant to the California Elections Code, all voting systems used in California must maintain operational certification in accordance with applicable laws and regulations as administered by the Secretary of State. The annual license and support fee ensures that the City's voting system complies with this mandate.

The FY 19 cost for annual software license and support fees will be \$104,659 for one year. Sufficient funds are budgeted in the General Fund (GF) in the City Clerk Department (CC) to support this expense.

Approve recommendation.

MONIQUE DE LA GARZA
CITY CLERK
