WITHDRAWN

~~Recommendation to City Council to concur in recommendation to receive and file report from the Chair of the Transportation and Infrastructure Committee to consider discussion and actions taken at the Committee meeting of February 13, 2013.~~

On Wednesday, February 13 the Transportation and Infrastructure Committee meets in Council Chambers. The Committee will be discussing numerous topics including Clean Goods Movement projects in the region and CIP projects such as a pedestrian beach path. It is appropriate that the Council hear a report from this committee at the regular meeting date immediately following the committee hearing.

There is no fiscal impact related to the consideration of this item.

Approve recommendation.

COUNCILMEMBER PATRICK O'DONNELL
CHAIR, TRANSPORTATION AND INFRASTRUCTURE
