Recommendation to receive and file the Comprehensive Annual Financial Report (Annual Report) and Separately Issued Financial Statements for the Fiscal Year Ended September 30, 2020. (Citywide)

### **Comprehensive Annual Financial Report**

The Comprehensive Annual Financial Report (Annual Report), prepared by the Financial Management Department, contains audited financial information on all City funds for the fiscal year ended September 30, 2020 (FY 20) in accordance with generally accepted accounting principles. In accordance with Section 302(e) of the City Charter, the Annual Report is submitted annually to the City Council. It is important to note that the Annual Report is designed to report historical financial information only and is not designed to report financial projections or budgetary priorities.

We are pleased to report that the Independent Auditor's Report concluded that the City's financial statements present fairly, in all material respects, the financial position of the City and its related cashflow and budgetary information. The audit was conducted by KPMG, LLP, a certified public accounting firm, under contract with the City Auditor.

The Annual Report provides Basic Financial Statements that combine all City assets and liabilities in one consolidated statement. The City's total net position, as shown on page 25 of the Annual Report, was \$5.4 billion as of September 30, 2020. Of this amount, \$41.1 million was recorded in governmental activities and \$5.3 billion was recorded in enterprise funds such as the Harbor Fund, Water Utility Fund, and Tidelands Operating Fund. The City's total net position increased by \$137.8 million from FY 19.

### **Separately Issued Financial Reports and Statements**

In addition to the Annual Report, certain City funds are also required to submit audited annual financial statements separately, including the Harbor and Water Departments. These separate reports are attached and are issued annually to meet distinct legal and financial requirements. Also, provided is the annual financial report for Long Beach Transit, a discretely presented component unit of the City.

Finally, because of the professionalism and dedication of the Financial Management, Harbor, and Water Departments, as well as finance professionals throughout the City, the Annual Report and the separately issued financial reports of the Harbor and Water Departments have been awarded the Government Finance Officers Association Certificate of Achievement

for Excellence in Financial Reporting for their FY 19 annual financial reports. The receipt of the Certificate of Achievement attests to the City's desire to be fully accountable to our residents. In addition, this recognition can be viewed as a positive factor by credit rating agencies.

This matter was reviewed by Deputy City Attorney Amy R. Webber on April 20, 2021 and by Revenue Management Officer Geraldine Alejo on April 26, 2021.

City Council action on this matter is not time critical.

There is no fiscal or local job impact associated with this recommendation. This recommendation has no staffing impact beyond the normal budgeted scope of duties and is consistent with existing City Council priorities.

Approve recommendation.

JOHN GROSS  
INTERIM DIRECTOR OF FINANCIAL MANAGEMENT

APPROVED:

THOMAS B. MODICA  
CITY MANAGER
