Recommendation to determine that the original application of an Alcohol Beverage Control License by American Petroleum Corporation, dba Pacific Union 76, located at 1410 West Pacific Coast Highway, meets the public convenience and necessity; and withdraw the filed protest.

City Council took action on November 1, 2016 to protest the Alcohol Beverage Control License due to overconcentration. Since that meeting there have been new conditions and approvals put in place to ensure that the issues will be addressed.

There is no fiscal impact.
