Title: Recommendation to: 1) Direct City Attorney to draft a resolution entitled the Long Beach Values Act of 2017, affirming the City's commitment to the laws adopted in SB 54 (De Leon) and the City's continued support of the California Trust Act;

2) Direct City Manager, through the Office of Equity, to partner with local immigrant rights organizations, the Long Beach Sanctuary City Coalition, Centro Cha, California State University Long Beach, Long Beach City College, and Long Beach Unified School District, to write and present a local policy that expands on SB 54 in 60 days. Policy considerations should include:

- Protecting and advocating for local DACA and DREAMER students.
- Preventing future deportations of local residents.
- Examining partnerships with LA County for local legal defense fund.
- Protecting the confidentiality of local immigrant residents and their information, and ensuring no City resources are used to create registries based on religious affiliation, immigration status or any other protected class such as gender, sexual orientation, race, etc.
- Affirm an aggressive approach to advocating at the federal and state level for pro-immigrant policies.
