Title: Recommendation to request City Manager return to council within 90 days to:

- Report back on the current city ordinances regarding residential parking requirements for garage use, what efforts the city undertakes to enforce such ordinances, and recommendations of how these ordinances can be better utilized to enforce these ordinances in parking impacted areas;
- Work with Development Services to report back on the permitting process for garage expansion and retrofitting permits, and the feasibility of expediting and streamlining incentivizing residents to bring their garages up to code for parking use; and
- Report on the feasibility of the city sponsoring a community garage clean-up day where large-scale trash disposal and hauling is provided for the residents who choose to participate in the clean-up day.
