If selected by USBR, LBWD would be awarded \$75,000 and would need to provide a minimum of \$75,000 to meet the 50-percent matching funds requirement. However, LBWD staff intends to obtain additional outside funds to meet the 50-percent matching requirement. If the grant is awarded to LBWD, staff will bring the award and matching funding strategy to the Board for approval prior to accepting the grant.

Approve recommendation.
