Recommendation to Adopt Resolution No. WD-1437 authorizing the General Manager to sign and submit all necessary documents associated with the application for a grant agreement from the United States Bureau of Reclamation's WaterSMART Grants: Small-Scale Water Efficiency Projects for the Direct Install Garden Program for Disadvantaged Communities Project.

BUREAU: Legislation & Grants

If selected by USBR, LBWD would be awarded \$75,000 and would need to provide a minimum of \$75,000 to meet the 50-percent matching funds requirement. However, LBWD staff intends to obtain additional outside funds to meet the 50-percent matching requirement. If the grant is awarded to LBWD, staff will bring the award and matching funding strategy to the Board for approval prior to accepting the grant.

## Approve recommendation.
