Recommendation to adopt Resolution No. WD-1446 authorizing the General Manager to sign and submit all necessary documents associated with the application for the United States Department of Interior Bureau of Reclamation Fiscal Year 2022 WaterSMART Drought Response Program: Drought Resiliency Projects for the LBWD 2021 New Well Project.

If selected, up to \$2,000,000 in 50-percent matching Federal funds will be available per the agreement. Construction of the LBWD 2021 New Well Project is estimated to cost approximately \$16,000,000 from FY 22 to FY 25. These figures are included in the FY 22 budget and financial projections through FY 25.

Approve recommendation.
