Recommendation to increase appropriations in the General Fund Group in the City Manager Department by \$500, offset by the Third Council District One-time District Priority Funds transferred from the Citywide Activities Department to provide a donation to the Glendora Neighborhood Watch Group to support a community Block Party, and

Decrease appropriations in the General Fund Group in the Citywide Activities Department by \$500 to offset a transfer to the City Manager Department.

In an effort to create tight-knit communities where neighbors work together to build relationships that strengthen the neighborhood, community block parties can be a great tool. Long Beach continues to prioritize the establishment of community watch programs where residents know one another and encourage safety throughout their neighborhood, therefore the City should help support this event.
