Date	Ver.	Action By	Action	Result
5/12/2022	1	Water Commission (now under Utilities Commission)	approve recommendation	Pass

Recommendation to approve a one-time utility rebate to all current water customers of the Long Beach Water Department, to be applied pro-rata based on customer account meter size in a total amount not to exceed \$21,832,202 and direct the General Manager to take such actions as necessary to provide the rebate upon receipt of the funds from the City's General Fund.

The Department will receive a \$21,832,202 payment within approximately 180 days to fund a one-time water customer credit and will be applied pro-rata to customer accounts once the funds are received.

Approve recommendation.
