[Timing Considerations]

This recommendation provides funds for the City Manager Department to provide a donation to AOC7 for their food pantry event on June 5, 2020. The total appropriation increase in the General Fund Group by \$448 is offset by a decrease of appropriation of the Second Council District One-Time District Priority Funds in the General Fund Group in the Citywide Activities Department. The requested action is anticipated to require a minimal level of staff hours beyond the budgeted scope of duties and is expected to have a minimal impact on existing City Council priorities.
