~~Decrease appropriations in the General Fund Group in the Citywide Activities Department by \$5,000 to offset a transfer to the City Manager Department.~~

The House of Haven is a transitional-aged youth homeless shelter. They provide outreach and work in the most critical areas of Central Long Beach to support at-risk youth. A contribution to the House of Haven will support hot meal services for the holidays.

This matter was reviewed by Revenue Management Officer Geraldine Alejo on November 30, 2020.

This recommendation requests the City Manager to provide a contribution to House Haven at \$5,000 to support their holiday hot meal services. The total appropriation increase in the General Fund Group in the City Manager Department by \$5,000 is offset by the Sixth Council District One-time District Priority Funds in the Citywide Activities Department. Implementing this recommendation is anticipated to result in a minimal impact on staff hours beyond normal budgeted scope of duties and is expected to have a minimal impact on existing City Council priorities.

Approve recommendation.
