Recommendation to adopt Resolution No. WD-1438 authorizing the General Manager to sign and file all necessary documents associated with the application for the United States Department of Interior Bureau of Reclamation Fiscal Year 2021 WaterSMART: Applied Science Grants for the Wellfield Management and Forecasting Tool.

BUREAU: Legislation & Grants

If selected, up to \$200,000 in 50-percent matching Federal funds will be available per the agreement. The cost to the Water Fund will be incurred during FY 22. As the request for proposals for professional services to develop the Wellfield Management and Forecasting Tool has yet to be issued, the actual cost of the project is unknown at this time, but the total amount will not exceed the federal funds plus matching funds total amount of \$400,000. These costs are included in the Water Fund FY 22 Budget and financial projections.
