File #: 22-107WA, **Version:** 1

Recommendation to authorize the General Manager to accept the terms and conditions associated with the US Bureau of Reclamation's WaterSMART: Drought Response Program for the Water System Optimization and Supply Management Study.

Per the agreement with USBR, \$100,000 in grant funds with a 50-percent matching fund requirement will be available. The estimated project cost of the Study is not to exceed \$406,800. These costs are included in the Water Fund FY 22 budget and financial projections.

Approve recommendation.
